

Welcome to Glen Elementary School

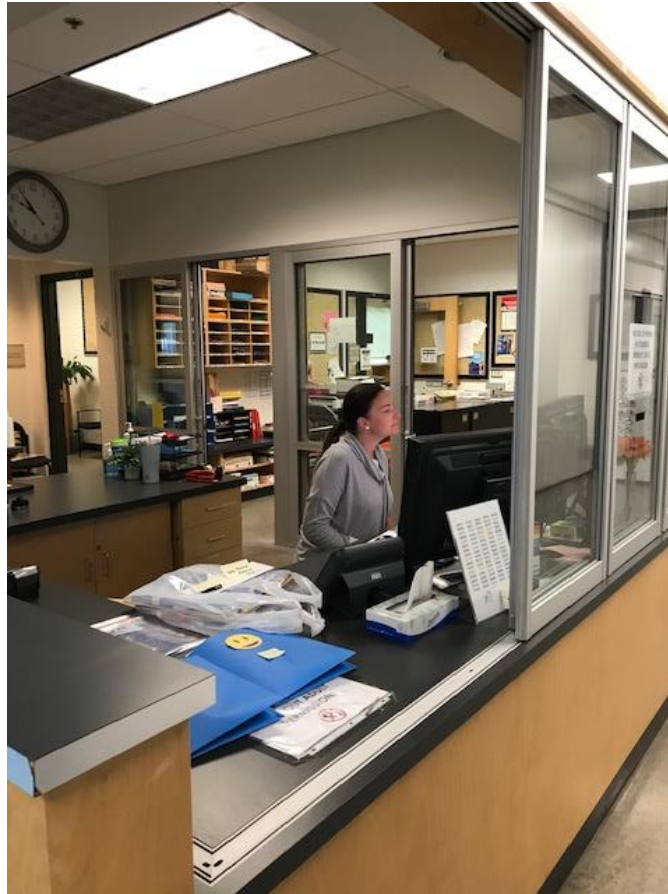

This September I will be going to school!
It is called Glen Elementary School.

Through one of these doors is my
Kindergarten classroom!

This is the office.

This is where I can find the principal
and the secretary – people in the
school who can help me.

There are places to gather together,
to sit and to play.

I will hang up my coat and shoes.

There will be many places to play and learn in Kindergarten.

I will see and do many new things.

There are bathrooms in the Kindergarten classrooms and in the hallway.

Sometimes we go to the gym.

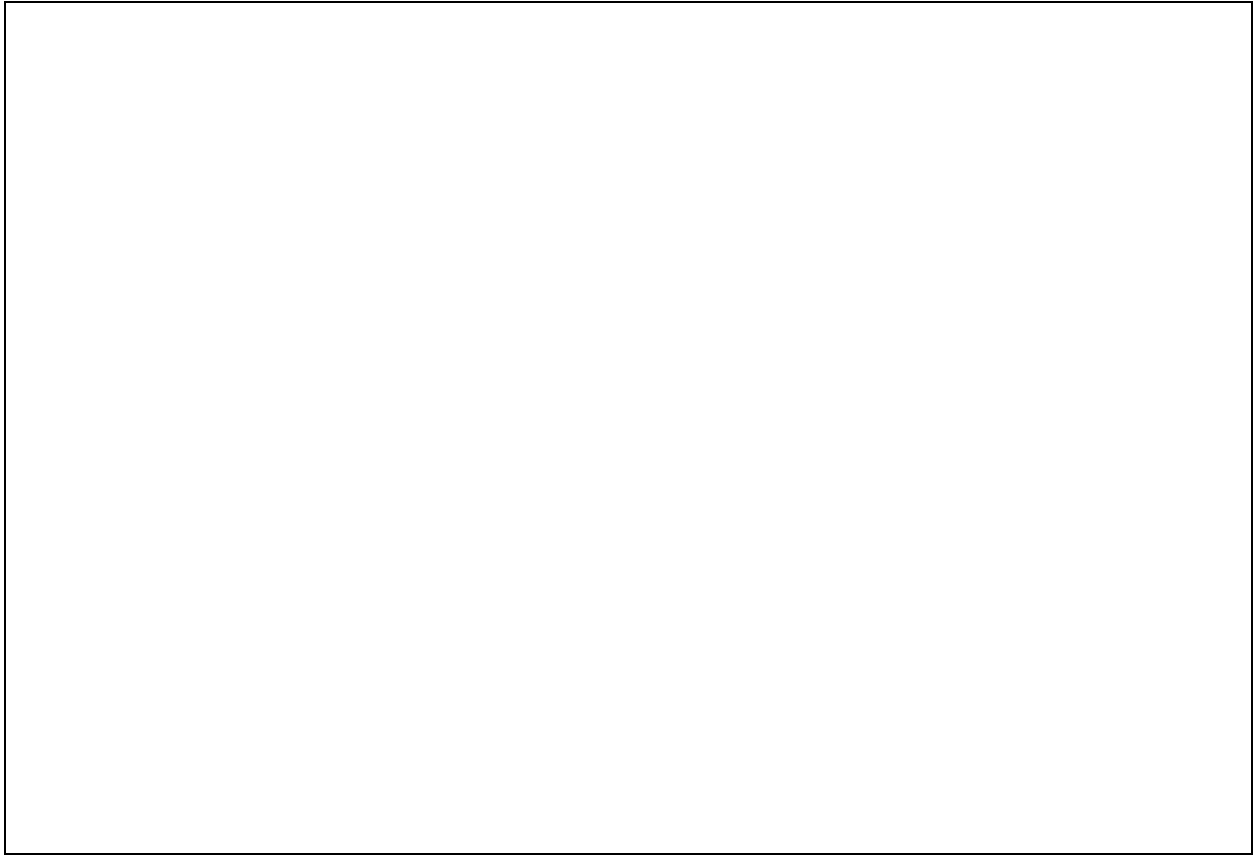

Sometimes we go to the library where we can borrow a book.

We get to play outside. There are adults around who keep us safe.

This is me ready for Kindergarten!
I am so excited!
