PLANNING FOR LIFE AFTER HIGH SCHOOL

FEB 8, 2017

Are you thinking about or beginning to plan for your youth and the transition from high school to adult life? Are you wondering about services, options and resources which may be available to support your son or daughter and your family? Do you need information on how to begin the transition planning process?

We invite you to join our session that focusses on transition planning for life after high school.

This information evening is especially for parents who have a son or daughter in High School (aged 15 to 19) who has an intellectual/developmental disability.

A panel of resource people will provide information and answer questions you may have about eligibility for adult services and supports, post-secondary options, supported employment, Persons with Disability Benefits, and more.

**REGISTRATION IS REQUIRED
BY FEBRUARY 6th**
