Good afternoon,

I have attached information on the Fall session of Systematic Training for Effective Parenting/TEEN program. Please post the information on your school web site, newsletter or parent information boards.

If you have any parents who could benefit from this information please pass on as soon as possible as the class fills quickly, the last few years I have been averaging 40 plus parents per class. At this time due to scheduling I am not sure if I will be offering a Spring session.

If you have any questions please don't hesitate in contacting me. Thank you so much for your support in this program.
