WELCOME

Since 1967 the Simon Fraser University Camps Program has been committed to serving its participants and ensuring that a positive experience is had by all. The SFU Camps Program exists to foster fun and skill development through physical activity, educational programming and creative endeavors in a safe, inclusive and positive environment. We are committed to establishing a workplace that is student-centred and focused on mentorship and leadership development, while executing a program that is founded on best practice and collaboration. We strive for excellence in all areas and take pride in being a leader in program safety, camp selection and instructor quality.

ABOUT OUR CAMPS

SPORT CAMPS - Sport Camps offer quality instruction by SFU's varsity athletes and highly regarded coaching staff (where available). Participants will receive instruction in all aspects of the sport, including development drills and scrimmages. Some Sport Camps may include skill evaluation summaries, t-shirts, balls and giveaways.

RECREATIONAL & EDUCATIONAL CAMPS - Recreational and Educational Camps are instructed by highly trained educators, enthusiastic university and high school students. The camps are well rounded, offering a mix of educational and recreational opportunities. They include a variety of activities that use SFU facilities, plus academic labs and classrooms. Some camps include swimming and/or field trips. Friday activities may include special events, presentations and friendly water fights.

PARTNERSHIP CAMPS - SFU provides a range of camps that are operated in partnership with various community organizations or professionals. These camps follow the same general administration procedures as all SFU camps, however staffing is provided by the partner organization. These camps may utilize SFU facilities, may include recreation time and SFU Camps Program t-shirts.

VOLUNTEER OPPORTUNITIES

Volunteer with the SFU Camps Program for an awesome summer experience! You must be dedicated, enthusiastic and at least 14 years old. The application deadline for Summer 2014 Volunteers is May 11, 2014. For more information, please visit www.sfu.ca/camps.

FACILITIES

Simon Fraser University sits atop Burnaby Mountain, with majestic views of the North Shore mountains, ocean and the Lower Mainland. The Camps Program has access to three gyms, tennis courts, squash and racquetball courts, dive tank, swimming pool, archery range, 400 meter track, four fields and a lot of outdoor space. In addition, sophisticated labs and classrooms will be used for Mini-University, Computer Camp, Science ALIVE camps and many more!

GETTING HERE

Translink has an extensive bus service to SFU with a bus stop located adjacent to the Camps Program central meeting area. Twenty-minute courtesy parking is available for drop-off and pick-up in the Visitor Parkade adjacent to the gym. Full details on parking and drop-off/pick-up procedures will be included in your registration confirmation letter, sent via email, around one week before the start of camp.

SPORT CAMPS

BASKETBALL FOR BOYS (5-18 YEARS)

Simon Fraser University Basketball Camps are designed for campers to learn and practice essential basketball fundamentals in a positive and enjoyable atmosphere. Head Coach James Blake and his staff emphasize developing new skills, strong work habits, and carrying these traits into game situations. All skill levels are welcome and encouraged.

MINI DRIBBLERS (5-8 YEARS)

Mini Dribbler is a basketball skills camp set in a fun-filled atmosphere. Campers will develop dribbling, passing, and shooting skills through a "Teaching Games for Understanding" approach.

RUN & GUN (9-13 YEARS)

Run & Gun Camp covers all aspects of the game of basketball - team and individual skills, as well as offensive and defensive strategies. Format includes skill stations, individual and team competitions, and games.

BASKETBALL FOR GIRLS (7-18 YEARS)

Considered to be a great place for young women to spend a week, these camps are taught by highly-motivated SFU student-athletes who provide excellent instruction and are quality role models for younger players. Most camps will be run by the assistant coach with the help of current SFU Women's Basketball team members.

BASKETBALL (7-15 YEARS)

This camp is for players who want to learn the fundamentals necessary to become a good basketball player. Athletes will get a well rounded schedule of offensive and defensive skills as well as have a chance to compete against each other. The camps will be run by current members of the SFU Women's Basketball team.

ADVANCED SKILLS HIGH SCHOOL CAMP (15-18 YEARS)

The Advanced Skills camp is for high school athletes interested in playing post-secondary volleyball at a college or university. Sessions will be lead by Head SFU Volleyball Coach, Gina Schmidt, and her staff. Numbers will be limited to ensure quality coach to player ratios and maximum repetitions. This camp is designed to improve individual skills, which includes some position specific training, as well as the player's overall understanding of game tactics and strategy. Drills will be both individual and team oriented in nature with situational game play incorporated into the afternoon sessions. If you are choosing to stay in the dorms, it includes 3 meals on Saturday and 2 meals on Sunday. T-shirt included.

HALF DAY CAMPS

This is a great option for both parents and campers. Half Day Camps offer flexibility to mix and match any half day camps for a full week of activity. Not sure if your camper is ready to tackle a full day at camp? Half Day Camps are a great introduction to the SFU Summer Camp experience, while being a shorter experience for your camper.

Regardless of what time your child's morning camp ends, or your child's afternoon camps begins, he or she will be supervised during the lunch break. If you are not signed up for two half days you will need to drop off/pick up you child for the start and end times of those programs (lunch time supervision is not provided for those campers participating in only one half day camp).

RED CROSS SWIM KIDS LESSONS (6-13 YEARS)

SWIM KIDS 1 (BEGINNER)

This entry level provides children with an orientation to the water and the pool area and introduces floats and glides with kick.

SWIM KIDS 2

This level builds skills in front and back swims. Children are introduced to deep water activities and proper use of a personal flotation device. Endurance is built on flutter kick and glides.

SWIM KIDS 3

This level introduces proper front crawl and develops a foundation for making wise choices on where and when to swim. Diving is introduced and students work on floats, changing direction and a 15-metre swim.

SWIM KIDS 4

In this level, children further develop the front crawl, back glide and shoulder roll for back crawl. They work on dives, surface support and endurance with a 25-metre swim.

SWIM KIDS 5

In this level, the back crawl is introduced, along with sculling skills and whip kick on the back. There is an introduction to safe boating skills and endurance is developed through dolphin kick and a 50-metre swim.

SWIM KIDS 6

This level continues to refine front and back crawl and elementary backstroke is introduced. Children are also introduced to the rescue of others with throwing assists. Dives and treading water are improved and endurance is developed through a 75-metre swim.

SWIM KIDS 7

This level continues to build skills and endurance for front crawl and elementary backstroke and introduces whip kick on the front. Students learn about airway and breathing obstructions. Endurance is built by taking part in timed treading water and a 150-metre swim.

SWIM KIDS 8

This level introduces the breaststroke, foot-first surface dives and rescue entries. Students learn about the dangers of open water, hypothermia and the performance of rescue breathing. Endurance is built on the dolphin kick and 300-metre swim.

EDUCATIONAL CAMPS

MINI UNIVERSITY (8-14 YEARS)

A true university experience! Session A & Session B both offer exciting possibilities as our instructors teach campers in a fun and creative way. Not only will they learn in the campus classrooms and labs, but they will also be able to use the SFU sport facilities, including gyms, fields, and the pool. Individual classes on each subject will be held each day. Large group projects/productions that involve all subjects and all age groups will take place and approximately two hours of recreation time will be included daily.

NOTE: No camp on Jun 30, Jul 1 or Aug 4 due to the statutory holidays.

SESSION A

BUSINESS & MARKETING: Learn the tricks and trades of the business world! Work with a team of campers to create your own company and use your skills to organize a camp-wide bake sale among other business savvy ideas.

PHYSICS: We make physics fun with a variety of interactive presentations that expose students to the forces and interactions that govern our universe. Experiment with electrical and magnetic displays, heat and thermodynamic demonstrations, and laser light shows!

SOCIOLOGY & CULTURE: Global awareness and cultural competencies are focused topics. Learn and explore human society through the eyes of ancient civilizations, cultural human interactions, and social behavior.

ESL (7-16 YEARS)

This camp is an introduction for ESL students to an English-speaking environment, with a focus on practice and fun. Campers will engage in language-oriented activities and will be encouraged to practice speaking and writing in English. Each week campers will have 3 days of lessons and spend the remaining time experiencing the beautiful Vancouver area, traveling to a variety of locations. The goal of this camp is to provide a level of language acquisition not present in a typical classroom setting, by learning about the world in camp, and going out to see the world for themselves. Campers will be grouped by age and will partake in activities suitable for their age and skill level. The groups will combine during field trips. We offer a progressive learning environment where the camp content will differ every week - perfect for a camper who wants to participate in ESL camp for multiple weeks.

NOTE: No camp on Aug 4 due to the statutory holiday.

PARTNERSHIP CAMPS

SCIENCE ALIVE - A Member of Actua

ALL Science ALIVE summer camps have new activities each summer. Due to continued interest in our dual-curriculum format, which features Alpha and Beta weeks, we are excited to offer two unique weeks of camp activities for our Quark, Electron, Ion and Tech camps! This gives every camper the opportunity to participate in one or more weeks of Science ALIVE camp, without overlap. Electron and Ion participants have the opportunity to register for our specialty camps (Nebula Girls and Tech Camps).

PLEASE NOTE:

1. The grades listed are the grades your child must complete in the 2013/2014 school year in order to register for summer 2014.
2. All of the below camps are co-ed (except for Nebula girls). Registration is separate for boys and girls simply for administrative purposes.
3. Lunch option for Science ALIVE camps are available.
4. There will be no camps Jun 30, Jul 1 or Aug 4 due to the statutory holidays.

QUARK CAMP (GRADES 2-3)

The goal of Science ALIVE's Quark Camp is to introduce our youngest campers to the exciting world of science through various interactive, hands-on activities. Campers explore various themes including climate change and renewable resources, marine biology, and paleontology, with an emphasis on exploration and scientific discovery.
