Future Science Leaders Program

SCIENCE
WORLD
BRITISH COLUMBIA

Applications are now open for September 2019!

- In weekly meetings, students learn essential skills, meet top experts and innovators and apply their new knowledge and skills. We have modelled the program after excellence programs in high performance sports, such as *Own the Podium* and the farm system in hockey. There is a progression where students are increasingly supported and challenged. With the extra support of this program, students will be expected to excel in national and international science, technology, engineering and math challenges.
- We have 2 sites for Future Science Leaders.
- Vancouver: Science World at TELUS World of Science, Tuesdays (4pm–6pm and 6:30pm–8:30pm)
- Surrey: Health and Technology Innovation Hub, Wednesdays (4:30pm–6:30pm)
- All applicants fill out the same application and indicate their site within the application.
- **Application deadline for Sept 2019 is April 26, 2019. Applicants must be grade 10 or 11 students in September 2019.**

ROTARY CLUB OF PORT MOODY

The **Rotary Club of Port Moody** has been awarded a District Grant to hold a Socratic Weekend. Selected students from the Tri-cities will participate June 1 and 2nd in a Port Moody based event in which professionals from a variety of disciplines and roles will come in to engage with the students and discuss a wide range of topics. We will explore Technology and Society, Governance, Mathematics and the science, Conservation and Economic Development, Education and Leadership, Global Markets and the Economy. These experts will be using a Socratic approach to engage with the students, and as such these will not be lectures but rather dynamic participation discussions. The intent of this weekend is to focus on Key themes such as Society, Economy, Environment, Education, Science, Governance, Civil Society (NGOs), etc., and how these all come together/or not, in our current world. The intent is to stimulate, challenge, illuminate and give the students a chance to meet some leaders in their fields. One speaker supplied cameras for the two latest Martian Satellites. This is a fun event, but it will be challenging, and will provide some great insight as to careers and educational paths.

Students applying need to write an essay in Word, maximum 500 words, and submit electronically. The essay to focus on:

- 1)What is the Socratic Method?
- 2)Five key things we need to focus on to ensure the survival of our society?

We will be reviewing the essays for effective writing, content, and will do a word count and check for plagiarism. **Please email your application essay, no later than 3:30pm April 26th** to Dr. Paul Mitchell-Banks, paulmitchellbanks@gmail.com and in the subject line put 'Socratic Weekend'. Essays that exceed the word limit, or involve plagiarism will be rejected. Winners will be contacted Monday April 29th.

→This event is open to applicants in grades 9 – 12.

Entrance Award and Bursary applications are still open!

The **deadline to apply is April 30**. See our [website](#) for more information. We encourage all students to apply, especially if you have demonstrated financial need and are involved in the school or greater community.

Winners will be contacted by **June 15**.

Did you apply to The University of Calgary? Have you received an offer or are you still waiting to hear from them? Are you considering if this is the place for you?

**UNIVERSITY OF
CALGARY**

Please come and visit Ms. Butler in the Career Centre as she just got back from a visit to U of Calgary and might be able to answer your questions and help with decision making. You can either drop in during flex or lunch or email to make an appointment dbutler@sd43.bc.ca

Once you have been admitted to UBC/UBCO check out these events for future students:
