Stimulate your passion for STEAM with *Future Science Leaders!*

Future Science Leaders (FSL) is a weekly after-school science enrichment program that opens the world of STEAM (science, technology, engineering, art and design, and mathematics) to secondary students.

FSL programs are available in:

Vancouver—TELUS World of Science

Surrey—Health and Technology Innovation Hub

“I can say 100% I would not be doing this job right now which I really love (research engineer at VGH) without *FSL*. The network and support continue when you leave the program.”

OPERATION MED SCHOOL IS OPENED FOR REGISTRATION

<https://operationmedschool.com/>

March 8th 8:30 – 5:30 at Robert H. Lee Alumni Centre, University of British Columbia

- Operation Med School (OMS) is a non-profit, student-run organization that hosts one-day conferences in Canada and the USA to educate youth about the journey of a medical career. Our goal is to inspire, inform and encourage students to follow their medical dreams and head bravely into their future endeavors.

OMS was started by a group of high school students in Vancouver, BC in 2012. Each conference gives students a new approach to medical careers through activities and lectures by medical experts. It is the perfect chance for high school students to explore the medical field, meet peers who share the same passion, and speak with knowledgeable medical professionals.

OMS has been creating an opportunity for youth to gain valuable leadership and event management skills since it began in 2012 as a conference *for* high school students *from* high school students. As the organization has grown, each city conference continues to be organized by a team of local high school students.
