Tuesday, April 7th What is Green Shirt Day?

TUESDAY APRIL 7, 2020

WHAT IS GREEN SHIRT DAY?

ONE PERSON

+
PASSION AND MOTIVATION FOR ORGAN DONATION

↓
CAN IMPACT 500 STUDENTS

↓
AND 2000 PEOPLE IN THEIR COMMUNITY

HOPE, EVEN IN TRAGEDY.

Logan Boulet, a 21-year old hockey player, did not survive the tragic Humboldt Broncos bus crash that killed 16 people in 2018. Logan registered as an organ donor just weeks before the accident and had spoken to his father about his wishes a year before. Logan was able to save six people's lives through his organ donation.

As news spread of Logan's selfless act, thousands across the country and world were inspired to register as organ donors. This became known as the "Logan Boulet Effect". To mark the day Logan Boulet became an organ donor, the Boulet family launched Green Shirt Day on April 7 of every year.

This year, BC Transplant will award two \$1000 scholarships to Grade 12 students who lead an organ donation awareness project in their school or community in April 2020.

You could organize your whole school to participate in Green Shirt Day on April 7, start a social media challenge or host an organ donor registration drive in your school or community.

You'll need to submit a 500-word essay or short video to showcase your project.

Deadline to apply is May 4, 2020.
For more details, visit www.transplant.bc.ca

GET STARTED NOW BY TALKING TO YOUR TEACHER, VISITING OUR WEBSITE OR CONTACTING US FOR A CAMPAIGN KIT!

Education toolkits are also available at transplant.bc.ca

WHAT CAN YOU DO?

Show up In Green!

Get your friends, school and family to participate on April 7 by wearing a green shirt or a jersey to honour Logan's legacy of selfless giving.

Talk to your teachers, principal or headmaster about getting your school involved. Contact us to let us know who you are, which school you attend, and what you will be doing to show your support for Green Shirt Day!

Join the Social Movement

Share your photos of support for organ donation and transplantation in BC by tagging us on your social media:

- @BCTransplant
 - @BC_Transplant
 - @bc_transplant
- #GREEN SHIRT DAY

Start a Challenge

Organize a registration drive at your school or at a community event.

- If 25 students get 25 people to register as an organ donor – ask your principal or teacher to dye their hair green!
- If 50 students get 50 people to register as an organ donor – ask your principal or teacher to wear green man suits and do a dance at the assembly!

Organize a Sports Game

- Students vs teacher volleyball, basketball game or floor hockey
- Teams wear green socks/green face paint/green headbands
- Ask a transplant recipient to give the welcome speech
- People can also take home a registration form or have conversations about organ donation

OPERATION MED SCHOOL IS OPENED FOR REGISTRATION

<https://operationmedschool.com/>

March 8th 8:30 – 5:30 at Robert H. Lee Alumni Centre, University of British Columbia

- Operation Med School (OMS) is a non-profit, student-run organization that hosts one-day conferences in Canada and the USA to educate youth about the journey of a medical career. Our goal is to inspire, inform and encourage students to follow their medical dreams and head bravely into their future endeavors.

OMS was started by a group of high school students in Vancouver, BC in 2012. Each conference gives students a new approach to medical careers through activities and lectures by medical experts. It is the perfect chance for high school students to explore the medical field, meet peers who share the same passion, and speak with knowledgeable medical professionals.

OMS has been creating an opportunity for youth to gain valuable leadership and event management skills since it began in 2012 as a conference *for* high school students *from* high school students. As the organization has grown, each city conference continues to be organized by a team of local high school students.
