

May, 2020

COURSE REQUEST VERIFICATIONS 2020 - 2021

Email sent out to HWSS families May 12, 2020.

Course Request Verification:

- Please find attached instructions on how students can check their course requests for next year. You will also see the document we sent out to see report cards (in case you need a reminder of how to get into MyED) and a document outlining the process to verify course requests. Students should only indicate the need for a change on the survey if a course that had requested has been cancelled or summer school plans have changed.
- It at all possible we would like students to try and use the MyED BC Student Portal to access their course requests. We will be using the MyED student portal for Report Cards and Course Verification after courses have been scheduled.
- See instructions in the following 2 slides.

HWSS Course Request Verification

Please complete this by the end of the day Wednesday, May 13th.

For students to check their course selection requests for 2020-2021 they will need to log in to MyED BC and follow the directions below: (MyED Password resets can be accessed [here](#) if needed).

NOTE: If you cannot access the MyED Student Portal, please email a request to have your course requests forwarded to your school student email address. Please email these requests to cbisbin@sd43.bc.ca and be sure to include the student's name and their 127- email address.

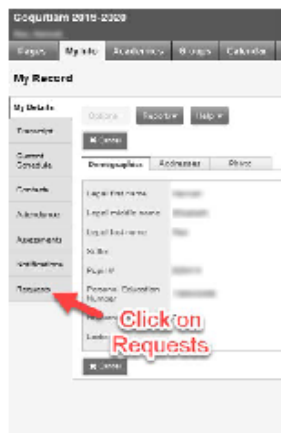

STUDENT COURSE REQUEST VERIFICATION

Log in to your MyED BC Student Portal, then:

1. Click on My Info...

2. Click on Requests...

3. When looking at your courses look in the "Alternate?" column. Primary course selections have an N, and Alternate course selections have a Y.

04/10/2020

2020-2021 Request Summary - Alternate - Student: 0000 - 10/11/2019

<input type="checkbox"/>	Selected Course ID/Title	Alternate Course ID/Description	Alternate?
<input type="checkbox"/>	5024-11	5024-11	N
<input type="checkbox"/>	5010-01	5010-01	N
<input type="checkbox"/>	5024-11	5024-11	N
<input type="checkbox"/>	1011-10	1011-10	N
<input type="checkbox"/>	1010-04	1010-04	Y
<input type="checkbox"/>	1010-04	1010-04	N

N is a Primary course selection →

Y is an Alternate course selection →

Open the Course Request Survey [here](#). The courses that are cancelled for 2020-2021 are listed. Students will please respond to the survey even if their requests are correct.

HWSS LIBRARY

Reminder to students:

If you are done reading their library books to please return them to the school.

A drop box is located outside main entrance daily M-F between 9:00 am – 3:00 pm.

THANK YOU

The school district will be opening registration soon for summertime Grade 10-12 high school credit courses. The following two options will be provided as Distributed Learning through Coquitlam Open Learning:

Coquitlam Open Learning Gr 10-12:

- Grade 10-12 full credit courses
- Free to eligible school-aged BC Residents aged 13 to 19 years old.
- Registration available to students enrolled in SD43 schools only, starting this Friday May 8, 2020. Students are not eligible for courses they are currently taking in their current schools, (they can take those starting in July, including Fast Track)
- Online courses with flexible start dates which should be completed within 10 months of registration. Students will participate in various online activities which may include Moodle online lessons, online discussions, and e-mail interactions with the teacher. Students can begin these courses within a few days after registering.
- Registration information: www.ce43.com
- Course information, <https://tinyurl.com/SD43COL>

The school district will be opening registration soon for summertime Grade 10-12 high school credit courses. The following two options will be provided as Distributed Learning through Coquitlam Open Learning:

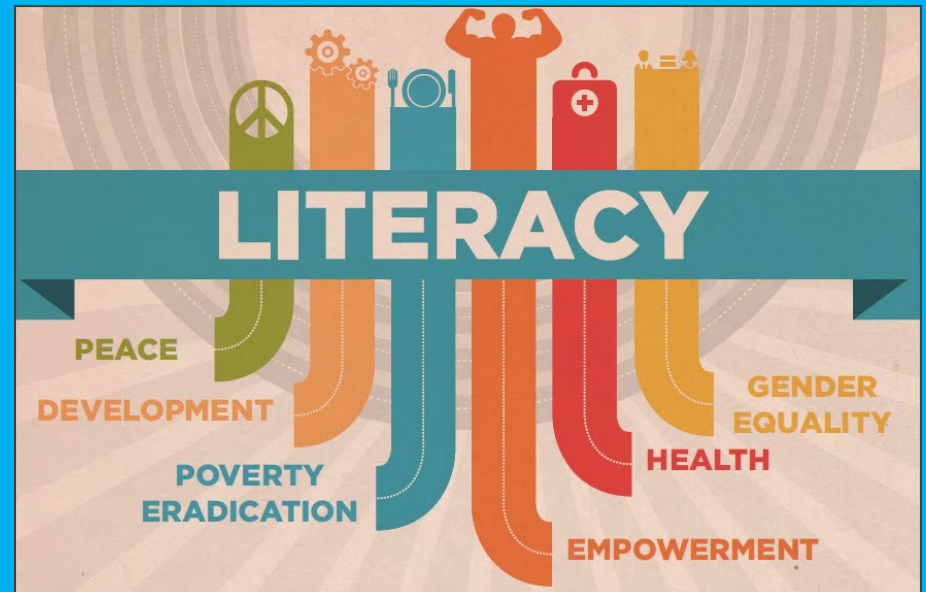

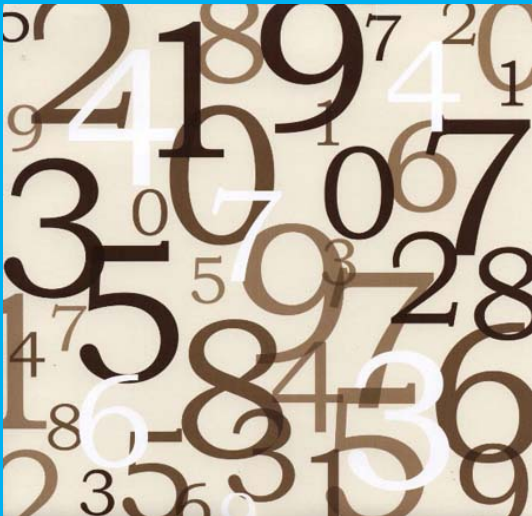

- **Fast Track Gr 10-12: Complete a full credit course from July 2 to August 3:**
- Fast Track courses follow a blended learning model:
- two weekly synchronous class sessions (Tues/Thurs or Wed/Fri, mornings or afternoons (see specific courses for scheduling). These class sessions will most likely be conducted online.
- three days of online work. Teachers will be available these days for online tutorial support.
- Note: This program is best suited for students wishing to complete the selected course within a 6-week timeline.
-
- Program Dates: July 2 - August 7 (Note: there will be no tutorials July 27 and Aug. 3)
- Program Times: Tues/Thurs or Wed/Fri, mornings or afternoons
- Registration information: www.summerlearningcoquitlam.ca
- Course information, <https://tinyurl.com/SD43FastTrack>
- Registration begins at 6:00 AM on Tuesday May 19, 2020.
- Registration is closed to International Students (who can register for high school credit courses at <http://www.internationaled.com/>)
- Registration in May available to students enrolled in SD43 schools only. Non-SD43 students may register on or after June 1. For registration and course information visit www.summerlearningcoquitlam.ca

Summer Learning Statement: COVID-19

- At this time registration for our summer learning programs (**Elementary Skill Building, Middle Skill Building, Secondary Skill Building and Secondary Remedial**) has been postponed until further notice. We continue to plan for summer learning under the direction of the ministries of Health and Education and will provide an update on our website as soon as more information becomes available. At this time we are unable to confirm that this years summer learning program will run and should we be able to move ahead with summer learning the program likely be significantly smaller in scope and the delivery format will likely be significantly different.
- Check our website for information and updates: www.summerlearningcoquitlam.ca
- [Coquitlam Continuing Education](#)
- 380 Montgomery Street Coquitlam BC V3K 5G2
- 604-936-4261

NUMERACY AND LITERACY ASSESSMENT

- At this time, future ministry assessments have been postponed and will likely occur in November but we have not been given any guidance from the ministry on the confirmation of these dates.
- **QUESTIONS:** Please email: mrai@sd43.bc.ca

Ms. Swanson's Class

UBC Geering Up is recruiting Junior Instructors to help lead STEM-themed online summer clubs.

Youth in STEM Video Series

- We are currently looking for students in grades 7 - 12 who have engaged in entrepreneurship or innovative projects related to STEM. We would like to highlight these individuals and their projects in a video series on our YouTube channel and Facebook page. Our video content creator will interview the youth for 10 minutes over zoom, recording footage of the interview and the student while they are working on their project.
- The aim of this video series is to 1) raise awareness of the amazing work youth already do in STEM, 2) encourage audiences to get involved in STEM through entrepreneurship and leadership, and 3) show that STEM projects can be meaningful, no matter the scale of impact.
- More information can be found on our website [here](#).

UBC Geering Up is recruiting Junior Instructors to help lead STEM-themed online summer clubs.

Programs for students:

Homework Club

- [The Homework Club](#) meets weekly and provides some homework support in an inquiry based learning environment. Instructors will provide a short lesson on the day's topic and leave time for homework as well as work to build community with the students in each program. Our high school programs focus on both Math and Science topics.

Daily Activity Club

- We will be running several 2-week long programs with daily sessions of 2 hours per day! These will be high school courses teaching beginner and intermediate level Python. Choose Level 1 or Level 2 and build your computer science skills with inquiry based projects all using Python. More information can be found [here](#).

UBC

School of Biomedical Engineering

CALLING ALL HIGH SCHOOL STUDENTS* Do you have an interest in Biomedical Engineering? Join UBC Biomedical Engineering on May 8 for a Live virtual Info Session and Q&A to learn all about the program and how you can become a part of it.

More info here: <https://www.bme.ubc.ca/events/event/info-session-pre-bme-standard-timetable/>

Are you a high-school student with an interest in Biomedical Engineering? Not sure what you need to become a part of the program?

Join us for a virtual info session where we'll give you an overview of everything from the timetable itself to where biomedical engineering can take you in the future. Also, have your questions at the ready for a live Q&A with our Student Services Team and BME instructor Jenna Usprech.

SOYL – Summer Youth Program is open for registration

- Students can find out more information and apply at <https://freshroots.ca/get-involved/soyl/>. Application deadline is May 30th.

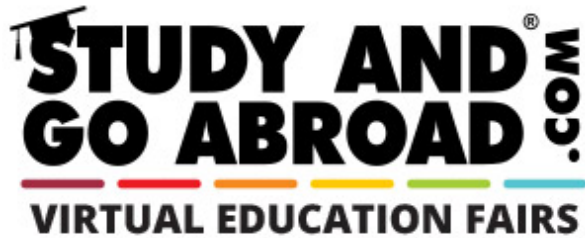

WHAT IS SOYL?

- SOYL is a 6-week summer leadership and empowerment program offered by Fresh Roots in partnership with school districts. We run SOYL in three different locations:
- SOYL @ Vancouver.
- SOYL @ Suwa'lkh (Coquitlam). July 2 – August 7
- SOYL @ Farm Roots (Delta).

The program empowers secondary students to cultivate and steward schoolyard farms for learning, community building and growing Good Food for All. Through their time with SOYL, youth develop skills in growing, cooking, and selling food, as well as a greater connection to themselves, their community, and the regional food system. Youth also receive a stipend and can receive school credit for their contributions.

WHAT HAPPENS AT SOYL?

- Throughout the summer, youth are learning and leading on the Fresh Roots farms. They're growing, cooking, and selling, meeting friends, and exploring the food system.

Study and Go Abroad

VIRTUAL EDUCATION FAIR

MAY 21st, 2020

Explore opportunities for online/distance education, as well as degrees, diplomas and certificate programs at home and abroad from the comfort of your home.

Explore opportunities for online/distance education, as well as degrees, diplomas and certificate programs at home and abroad from the comfort of your home.

Meet virtually with representatives from universities, colleges and professional schools from around the world.

We realize that now is not the best time to travel; however, no need to put your future on hold. Keep dreaming and start planning for when travel restrictions are lifted and the world opens up again. The world is an amazing place and studying abroad broadens our perspectives, teaches us to appreciate other cultures (and our own), and prepares us for an ever-more global workplace. The benefits of studying and living abroad are endless.

Register for free for the Virtual Education Fair on May 21st. At the fair, you'll have an opportunity to visit university booths, find out about scholarships, download their brochures, attend webinars and chat virtually to representatives to start planning your next step in education. Check back on www.studyandgoabroad.com closer to the fair for information on exhibitors and the webinar schedule.

Date: Thursday May 21st

Place: Your house

Expo hours: 8am to 2pm EST

Webinars: We'll keep you posted!

Admission: FREE

[SIGN UP NOW!](#)

Coquitlam Volunteering Opportunities during Covid-19

Students: you can still volunteer during COVID!

- While the opportunities may be delivered differently than in the past, there are still things you can do like:
- Phone Buddies
- Adopt a trail or street
- Letters of kindness

Check out the City of Coquitlam for these unique opportunities to make a difference in your community.

- <https://www.coquitlam.ca/city-hall/career-and-volunteering/volunteer.aspx>

GRADE 12S – REMEMBER TO CHECK THE CAREER CENTRE WEBPAGE REGULARLY FOR NEW AND UPDATED SCHOLARSHIPS.

NEW SCHOLARSHIP INFORMATION IS NOW AVAILABLE BELOW AND ON THE CAREER CENTRE WEBSITE.

- **ALL SCHOLARSHIPS ARE LISTED BY DUE DATE.**
- [HTTP://WWW.SD43.BC.CA/SCHOOL/HERITAGEWOODS/PROGRAMS SERVICES/CAREER/PAGES/FINANCIALAID.ASPX#/ =](http://www.sd43.bc.ca/school/heritagewoods/programs/services/career/pages/financialaid.aspx#/=)
- With the school year quickly coming to an end, ScholarTree.ca has made a concerted effort to add as many scholarships to the platform as we could find. May is the end of peak scholarship season so there are a lot of awards with upcoming deadlines.
- We currently have 45 scholarships that equate to 358 awards and a total of \$690,750 application period ending this month. There is still time for students who have put off applying to scholarships throughout the school year.

Youth Transforming Society (YTS)

Youth Transforming Society (YTS) is a registered, student-led organization based out of Surrey, BC that aims to raise awareness for humanitarian issues and encourage community volunteerism. Founded in 2010, we have since raised close to \$20,000 for various organizations and have helped hundreds of students get involved.

- One of Youth Transforming Society's goal is to bring positive change throughout our communities and promote community volunteerism among youth. To further our goal, we will be awarding the YTS Scholarship for Community Service which stands at the value of \$500 this year. In particular, the scholarship will be awarded to an individual who showcases dedication and commitment to their respective passions and selfless service in their communities. We hope to celebrate the achievements of the youth who have created a positive change!

Eligibility Criteria:

- To be considered for this award, the applicant must be:
- A graduating, grade 12 student attending secondary school in the Lower Mainland.
- Attending a Canadian post-secondary institution on a full-time basis beginning September 2020. Proof of acceptance may be requested.
- Actively involved in voluntary pursuits (humanitarian, environmental, arts, entrepreneurial, leadership etc.)
- Minimum academic average of 70%. A proof of average may be requested.

Please fill out the application via our website, www.youthtransformingsociety.org, by 11:59 pm on May 23, 2020.

Confratellanza Italo-Canadese Scholarship

- The Confratellanza Italo-Canadese was founded in 1904 and is committed to the preservation of Italian cultural heritage and contributing to the enrichment of the multicultural community in the Greater Vancouver area (for more information about us visit our web site at www.confratellanza.com). This year we are offering several \$1,000 scholarships to assist eligible students in their post-secondary studies:
- The scholarships are open to this year's graduating secondary school students planning to enroll in a post-secondary educational institution for the first time in 2020. To be eligible for this scholarship candidates must
 - 1) be of Italian origin i.e. as having at least one parent or grandparent of direct Italian descent,
 - 2) be living in a city or municipality within the 21-member Greater Vancouver Regional District,
 - 3) have an academic standing sufficient to qualify for entry into the post-secondary institution of their choice, and
 - 4) submit a completed application form with supporting documentation post-marked **no later than June 15, 2020**.
- Application and more information available on career centre website.

Headstart in Art 2020 applications are now open!

Emily Carr University of Art + Design and Coquitlam School District #43 are pleased to announce the continuation of a partnership that will see ECUAD offer a first year (Foundation) studio course, taught by Emily Carr faculty, at Gleneagle Secondary School in Fall 2020. This course will be available to current Grade 11 or 12 students or recent graduates from any of the secondary schools in School District #43 and surrounding area. The course is equal to 3.0 foundation year credits at Emily Carr University and is particularly aimed at students considering post-secondary studies in visual art, media art or design. Students who achieve a B+ grade or higher will have the portfolio component of their ECUAD first year application waived.

- Applications are located on the Sd43 website:
<https://www.sd43.bc.ca/CareerPrograms/Pages/TransitionPrograms.aspx#/=>
- **Submit your application ASAP as they are evaluated on a first received first considered basis. May 22 deadline to apply.**
- **students print off and complete the application**
 - where it asks for “student number” on page 5, leave it blank
 - students DO NOT need to include a Diploma Verification Form. They will be provided by the school district
 - students and parents need to complete everything carefully, missing information will delay your application
- when you are ready to submit you need to include **pages 2, 5 and 6 of the application** you will then:
 - create a .pdf
 - send those 3 pages/application directly to Joni Taylor at ECUAD (jtaylor@ecuad.ca)
- if you have any questions about completing the application please call Doug MacLean 604-341-8977

De Beers Groups Scholarship for Canadian Women

Deadline: June 01, 2020

- Canadian citizen or PR
- must be entering first year at post-secondary
- must be studying a STEM related field at post-secondary
- must be female
- More info: [HERE](#)

\$1500 Darren L Buium Scholarship: **Deadline June 15, 2020**

- All applicants must be a Canadian citizen or have permanent residence status in Canada.
- All applicants must be entering their first year of an engineering, electrical, technology, or construction-related program at an accredited university or college.
- Exceptions will be made to these programs if you have the intention of entering the electrical industry.
- All applicants must be in financial need. This is characterized by meeting requirements for provincial aid.
- More info: [HERE](#)

Royal Canadian Legion Ladies Auxiliary Bursary

Attention Grade 12s

- Due to unforeseen circumstances the Royal Canadian Legion Ladies Auxiliary Bursary has been suspended for 2020 and will **NOT** be awarded this year.

HEADSTART IN ART PROGRAM

Emily Carr University of Art + Design and Coquitlam School District #43 are pleased to announce the continuation of a partnership that will see ECU offer a first year (Foundation) studio course, taught by Emily Carr faculty, at Gleneagle Secondary School in Fall 2020.

This course will be available to current Grade 11 or 12 students or recent graduates from any of the secondary schools in School District #43 and surrounding area. The course is equal to 3.0 foundation year credits at Emily Carr University and is particularly aimed at students considering post-secondary studies in visual art, media art or design. Students who achieve a B+ grade or higher will have the portfolio component of their ECU first year application waived.

FNDT 106 Drawing & 2D Language

Day & Time: Tuesdays, 6:00-8:50pm
Location: Gleneagle Secondary School
1195 Lansdowne Drive, Coquitlam
Dates: September 15th to December 8th, 2020

This course introduces students to the methods, materials and concepts of drawing, both as a visual language and as a tool for enhancing perceptual awareness. While investigating process and developing a critical vocabulary, students will begin to acquire the skills to translate immediate observation and ideas into 2-dimensional form. In-class projects and assignments will encompass various aspects of drawing, while visual presentations and class discussion will introduce students to contemporary and historical ideas of art and design.

ACADEMIC ADMISSION REQUIREMENTS

This is a university level course. Students are expected to meet Emily Carr University academic admission requirements:

- English 11 or 12 (minimum C grade in most recent)
- PLUS two other Grade 11 or 12 academic courses
- PLUS two Grade 11 or 12 electives (Visual Art 11 or 12 recommended)
- Total overall grade point average in all subjects of 2.5 (C+ or 67%)

Applicants must provide Diploma Verification as confirmation that they are going to meet academic admission requirements

Note: Students may apply having only completed English 11; however, English 12 and Grade 12 academic and elective classes are the final requirement for future admission to Emily Carr University.

Qualified applicants will be admitted on a first-applied basis (date of submission to your high school counsellor's office). Space is limited to 20 seats.

TUITION FEES

Upon acceptance to the program, students are responsible for the full amount of tuition.

Domestic \$460.00 (includes supply kit)
International \$1,664.00 (includes supply kit)

Please note: some projects may require additional optional supplies not provided in the supply kit.

APPLICATION FORMS

Application forms are available at:

- Your school's Counselling Department
- By request at admissions@ecuad.ca
- Online at the SD43 website 43Careers.com

APPLICATION DEADLINE: MAY 22nd, 2020

In order to complete your application, you MUST submit the following to your HS counsellor's office:

- Application Form
- Diploma Verification Form
- Permission Form (signed)
- Model Release Form (signed)

For further information contact:

- Admissions: Emily Carr University of Art + Design
604.844.3897 | admissions@ecuad.ca
- Doug MacLean SD43 Coquitlam
604.341.8977 | dmadean@sd43.bc.ca

OCEAN WISE

YouthToSea Summer Leadership Programs in 2020

- Ocean Wise is proud to announce that applications are open for our [YouthToSea Summer Leadership Programs](#) in 2020. Previously known as the AquaCamps Work Experience Program, additional staffing and resources have allowed us to elevate our previous program to offer more training, coaching, and professional development opportunities. The new program still meets all the curriculum requirements for the Work Experience Program.
- These programs are designed to offer youth (15-18) an opportunity to build their personal leadership, problem-solving and life skills. Youth in the program will participate in our summer AquaCamps programming at the Vancouver Aquarium, shadowing Children & Youth Educators to learn more about working with children in an educational capacity. Participants will expand their social network, increase their marine conservation knowledge, connect with their community and gain employment skills.
- Supported by the Government of Canada through the Canada Service Corps initiative, all training, certifications and retreats are fully funded, and there are no costs for participants.
- Youth who complete the Leadership Program will receive:
 - 120+ hours of volunteer service
 - Ocean Wise Animal Handling Certification
 - WHMIS Certification
 - CAN Autism Training
 - Ocean Wise Leadership Program Certificate of Completion
 - Opportunity to join member-only workshops/events at the Vancouver Aquarium
 - Valuable work experience and professional contact

There is also an opportunity to complete an original ocean conservation service project of their choosing with an Ocean Wise mentor.

More information including how to apply, placement dates/times, and FAQ's can be found at:

education.ocean.org/youthtosea

OCEAN WISE continued

We are closely following all COVID-19 development and currently the Summer program will run as planned. However, please be aware there may be a change in dates/opportunities for this program as the provincial and national pandemic response changes. We will keep all applicants updated throughout the process. If we are unable to reopen the Vancouver Aquarium before summer begins, participants will be allowed to withdraw their application to the program, or we can help mentor you through an ocean service project to meet your 120 hours of service.

BACHELOR OF ENGINEERING IN SOFTWARE ENGINEERING

Create your own path with a career in Software Engineering

Do you want a career that allows you to make an impact, and that is part of one of the fastest growing and most in demand professions in Canada? Do you want to contribute to the ever-growing need for software based solutions across a variety of industries and professions?

With a focus on skill-based learning and a commitment to small class sizes, the Software Engineering program at TRU provides a hands-on experience led by industry professionals. By blending engineering, business, computing science, project management and quality assurance, students receive a well-rounded and multi-faceted education that equips them with skills needed for the workplace.

EXPERIENCE HANDS ON LEARNING

The program's focus on experiential learning includes two mandatory co-op work terms in the fourth year of the program, which puts students in the position to be a paid employee before graduation and have opportunities to test-drive the wide variety of career options available in software engineering.

Career Paths in Software Engineering

- Manufacturing
- Research
- Medicine
- Automobiles
- Banking
- Technology companies such as Google, Amazon and Facebook
- Entertainment

THE TRU SOFTWARE ENGINEERING ADVANTAGE

- Offers strong foundations in principles and practice of software systems development, and related computing technologies.
- Students develop knowledge of the tools, technical skills and competencies required to design, develop, test and maintain cycles of software product.
- Emphasis on project-based learning practices that apply theoretical concepts to practical problems.
- Co-op work terms to gain relevant, paid work experience in industry.
- One-year design capstone project from real world industry to gain in-depth experiential learning.

ADMISSION REQUIREMENTS

First Year Entry

- BC Grade 12 (or equivalent).
- BC English 12 with a minimum of 67% (or equivalent).
- Pre-Calculus 12 with a minimum of 67% (or equivalent).
- Chemistry 12 with a minimum of 67% (or equivalent).
- Physics 12 with a minimum of 67% (or equivalent).

You may also be considered for second or third year direct entry if you have completed or partially completed first or second year science, engineering or cognate department courses. Please contact Dr. Faheem Ahmed for more information and evaluation at enrg@tru.ca.

Looking for a **challenge** outside the classroom?

Stimulate your passion for STEAM with *Future Science Leaders!*

Future Science Leaders (FSL) is a weekly after-school science enrichment program that opens the world of STEAM (science, technology, engineering, art and design, and mathematics) to secondary students.

FSL programs are available in:

Vancouver—TELUS World of Science

Surrey—Health and Technology Innovation Hub

“I can say 100% I would not be doing this job right now which I really love (research engineer at VGH) without FSL. The network and support continue when you leave the program.”

Edward Wang,
FSL Discover 2012
