TD SCHOLARSHIPS FOR COMMUNITY LEADERSHIP

Community heroes do good work because they are inspired to, not for the recognition.

TD is committed to opening doors for a more inclusive and sustainable tomorrow, creating conditions so everyone has the chance to succeed in a changing world. Unique in Canada, the TD Scholarships for Community Leadership are offered to students who, like TD, help support change, nurture progress and contribute to making the world a better place. Have you shown exceptional initiative in making a meaningful and lasting difference in your community? Then we want to hear from you, as you may qualify for one of our Community Scholarships. It's not just about marks in the classroom, but rather the marks you have made on your community.

- We're interested in hearing from students who have demonstrated consistent and outstanding dedication to solving a community problem or making their community a better place. For example, you may be cleaning up the environment, promoting social justice, or fighting child poverty.

Applications are now open. Deadline to apply November 13, 2020
