Learning Buddies Network Volunteer Opportunity

- <https://learningbuddiesnetwork.com/>
- We are a non-profit organization dedicated to helping elementary school students develop essential literacy and math skills through free one-on-one, after school mentoring in a fun group setting. We are currently recruiting mentors to help children, who otherwise would not have the help they need, with their reading skills via Zoom. This is a really great way for students to interact with a diverse population, improve their communication skills, and gain teaching experience in a supportive environment.
- The program is a twice weekly commitment of around 4 hours per week (on-call positions available for those who do not have as much time). We provide comprehensive training for new volunteers and lots of support throughout the program.
- If you are looking to make a positive impact in children's lives and have a little fun while you do it - get involved!
- If this sounds like a good fit for you, please use the link to register **before October 15th** for the Fall program:

SUMMARY

We match young women, Two-Spirit, trans and non-binary youth (mentees) in Grades 11 and 12 across Metro Vancouver with a mentor to better prepare for their futures. Mentor-mentee matches are based on career and education goals, hobbies, and the level of support required. A mentor can help you explore your academic and professional interests, support you in your transition to university and help nurture your leadership ability!

***Please Note: To keep mentees and mentors safe during COVID-19, regular in-person programming will be moved onto an online platform for the time being.**

TD SCHOLARSHIPS FOR COMMUNITY LEADERSHIP

Community heroes do good work because they are inspired to, not for the recognition.

TD is committed to opening doors for a more inclusive and sustainable tomorrow, creating conditions so everyone has the chance to succeed in a changing world. Unique in Canada, the TD Scholarships for Community Leadership are offered to students who, like TD, help support change, nurture progress and contribute to making the world a better place. Have you shown exceptional initiative in making a meaningful and lasting difference in your community? Then we want to hear from you, as you may qualify for one of our Community Scholarships. It's not just about marks in the classroom, but rather the marks you have made on your community.

- We're interested in hearing from students who have demonstrated consistent and outstanding dedication to solving a community problem or making their community a better place. For example, you may be cleaning up the environment, promoting social justice, or fighting child poverty.

Applications are now open. Deadline to apply November 13, 2020
