VOLUNTEER OPPORTUNITY

Looking for Snow Angels

- The Snow Angels program is actively recruiting volunteers for the winter season. We are looking for volunteers to assist individuals in our community who are unable to clear snow from the city sidewalks due to physical disabilities or restrictions. This is an on call position for volunteers until March 31; weather dependent.

To Be a Snow Angel you must:

- Be 16 years of age or older;
- Live within close proximity of the participants houses; you can sign up for addresses that are close to you from the volunteer database;
- Clear snow from your matched city sidewalk(s) within 10 hours of the cessation (stop) of any snowfall that caused any accumulation of snow or ice on any city sidewalk
- Complete the snow shoveling before 7:30 pm (not to shovel in the dark)
- Be in adequate physical condition and capable of clearing snow
- Shovel, safety vest, toque and scarf are provided! (if needed)

Commitment: 1-2 homes per individual for the winter season; which is typically from mid-November to the end of March.

- If you would like to volunteer, please signup using this link <http://btrr.im/xd7fg> and sign up for an volunteer account. You will need to complete a Police Information Check and once this is complete you can sign up as per below:
- • Opportunities Tab – click on filter by organization
- • Organization – City of Coquitlam – Special Events/Projects, Park Programs, Snow Angels, Volunteer Training
- • Category - Snow Angels Sign-up (let us know that you are interested)
- Snow Angels Orientation Manual is will be sent upon approval, and please watch the [Proper Snow Shoveling Techniques video](#). Then you can you can sign up for addresses that are close to you from the volunteer database;
- Organization - Snow Angels – Sidewalk Snow Removal
- Sign up for any of the addresses that are listed (more are added daily/weekly)
- Once you confirm assignment, Community Services staff will email you the exact address for you are to shovel in the event of a snow fall.

FUSE CIRCUIT: Q & A WITH CANADIAN BUSINESS SCHOOLS

WE ARE BACK! FUSE SOCIETY IS EXCITED TO ANNOUNCE ITS INAUGURAL WEBINAR, FUSE CIRCUIT: Q & A WITH CANADIAN BUSINESS SCHOOLS.

FUSE Circuit is a free interactive panel event where participants get a chance to directly hear from admissions officers of top Canadian business schools about the admissions process, criteria for a successful application, and program evaluations. Students will have the opportunity to ask questions to admissions officers in a general discussion, then ask school-specific questions in two breakout sessions of their choice. Our goal is to prepare YOU for admissions to business post-secondary programs, particularly with the changes from COVID-19.

Admissions officers will be featured from the following schools:

- Ivey School of Business, Western University
- Rotman School of Business, University of Toronto
- Smith School of Business, Queen's University

For those who are seeking to apply to business school, this webinar is an invaluable resource to directly communicate with admissions officers. For students who are considering applying to business, FUSE Circuit serves as great insight into the application process.

FUSE CIRCUIT CONTINUED

Here's the lineup for this year:

- 1 hour general panel with all admissions officers
- Two 30-minute breakout sessions with admissions officers from two schools of your choice
- Admissions representatives from 3 distinguished Canadian business schools

SAVE THE DATE:

November 28th, 2 PM - 4 PM PST | 5 PM - 7 PM EST

- ▶ We are funded by grants and have made this event completely free to make it as accessible as possible.

THOMPSON RIVERS UNIVERSITY

BACHELOR OF ENGINEERING IN SOFTWARE ENGINEERING

Create your own path with a career in Software Engineering

Do you want a career that allows you to make an impact, and that is part of one of the fastest growing and most in demand professions in Canada? Do you want to contribute to the ever-growing need for software based solutions across a variety of industries and professions?

With a focus on skill-based learning and a commitment to small class sizes, the Software Engineering program at TRU provides a hands-on experience led by industry professionals. By blending engineering, business, computing science, project management and quality assurance, students receive a well-rounded and multi-faceted education that equips them with skills needed for the workplace.

EXPERIENCE HANDS ON LEARNING

The program's focus on experiential learning includes two mandatory co-op work terms in the fourth year of the program, which puts students in the position to be a paid employee before graduation and have opportunities to test-drive the wide variety of career options available in software engineering.

Career Paths in Software Engineering

- Manufacturing
- Medicine
- Banking
- Entertainment
- Research
- Automobiles
- Technology companies such as Google, Amazon and Facebook

THE TRU SOFTWARE ENGINEERING ADVANTAGE

- Offers strong foundations in principles and practice of software systems development, and related computing technologies.
- Students develop knowledge of the tools, technical skills and competencies required to design, develop, test and maintain cycles of software product.
- Emphasis on project-based learning practices that apply theoretical concepts to practical problems.
- Co-op work terms to gain relevant, paid work experience in industry.
- One-year design capstone project from real world industry to gain in-depth experiential learning.
