Leadership Christmas Singing Opportunity

I am sure we have lots of wonderful singers out there in our school community that can carry a TUNE.

If any staff, students, or teachers are interested in singing a Christmas song for one of our upcoming Leadership activities for Christmas Spirit Week, please stop by room 303 to see Mr. Raghoobarsingh sometime next week (Monday-Thursday) during Flex for further details.

FREE Virtual Event: Hockey Recruiting 101

More than ever, college coaches are at home and focusing on digital recruiting, communicating via emails, texts and DMs while evaluating athletes with recruiting videos and online recruiting profiles. But do you know how to take advantage of this situation?

To help keep your recruiting moving forward, Next College Student Athlete (NCSA) Senior Recruiting Coach and former Norwich University hockey player Alec Thieda is offering a FREE virtual recruiting workshop for athletes and families on

- Wednesday, December 9th, 7:00 pm CST/8:00pm EST.
- Topic: Prepskills + NCSA Ice Hockey Recruiting 101

Hockey recruiting has changed a lot in 2020. As the official recruiting partner of PrepSkills, NCSA can help you learn how the recruiting process is currently being impacted. You'll learn about:

- The different routes for a prospective student-athlete (NCAA & ACHA)
- The ins and outs of NCAA hockey
- Athletic scholarships
- Maximizing your online presence

FUSE CIRCUIT: Q & A WITH CANADIAN BUSINESS SCHOOLS WE ARE BACK! FUSE SOCIETY IS EXCITED TO ANNOUNCE ITS INAUGURAL WEBINAR, FUSE CIRCUIT: Q & A WITH CANADIAN BUSINESS SCHOOLS.

FUSE Circuit is a free interactive panel event where participants get a chance to directly hear from admissions officers of top Canadian business schools about the admissions process, criteria for a successful application, and program evaluations. Students will have the opportunity to ask questions to admissions officers in a general discussion, then ask school-specific questions in two breakout sessions of their choice. Our goal is to prepare YOU for admissions to business post-secondary programs, particularly with the changes from COVID-19.

Admissions officers will be featured from the following schools:

- Ivey School of Business, Western University
- Rotman School of Business, University of Toronto
- Smith School of Business, Queen's University

For those who are seeking to apply to business school, this webinar is an invaluable resource to directly communicate with admissions officers. For students who are considering applying to business, FUSE Circuit serves as great insight into the application process.

FUSE CIRCUIT CONTINUED

Here's the lineup for this year:

- 1 hour general panel with all admissions officers
- Two 30-minute breakout sessions with admissions officers from two schools of your choice
- Admissions representatives from 3 distinguished Canadian business schools

SAVE THE DATE:

November 28th, 2 PM - 4 PM PST | 5 PM - 7 PM EST

- ▶ We are funded by grants and have made this event completely free to make it as accessible as possible.
- ▶ Students can sign-up through a Google Forms here:

THOMPSON RIVERS UNIVERSITY

BACHELOR OF ENGINEERING IN SOFTWARE ENGINEERING

Create your own path with a career in Software Engineering

Do you want a career that allows you to make an impact, and that is part of one of the fastest growing and most in demand professions in Canada? Do you want to contribute to the ever-growing need for software based solutions across a variety of industries and professions?

With a focus on skill-based learning and a commitment to small class sizes, the Software Engineering program at TRU provides a hands-on experience led by industry professionals. By blending engineering, business, computing science, project management and quality assurance, students receive a well-rounded and multi-faceted education that equips them with skills needed for the workplace.

EXPERIENCE HANDS ON LEARNING

The program's focus on experiential learning includes two mandatory co-op work terms in the fourth year of the program, which puts students in the position to be a paid employee before graduation and have opportunities to test-drive the wide variety of career options available in software engineering.

Career Paths in Software Engineering

- Manufacturing
- Medicine
- Banking
- Entertainment
- Research
- Automobiles
- Technology companies such as Google, Amazon and Facebook

THE TRU SOFTWARE ENGINEERING ADVANTAGE

- Offers strong foundations in principles and practice of software systems development, and related computing technologies.
- Students develop knowledge of the tools, technical skills and competencies required to design, develop, test and maintain cycles of software product.
- Emphasis on project-based learning practices that apply theoretical concepts to practical problems.
- Co-op work terms to gain relevant, paid work experience in industry.
- One-year design capstone project from real world industry to gain in-depth experiential learning.
