What is SOYL?

SOYL is a 6-week summer leadership and empowerment program offered by Fresh Roots in partnership with school districts. We run SOYL in three different locations:

- SOYL @ Vancouver.
- SOYL @ Suwa'ikh (Coquitlam).
- SOYL @ Farm Roots (Delta). *Those applicants accepted to SOYL will then be enrolled in Delta School District's Summer School Registration.*
- The program empowers secondary students to cultivate and steward schoolyard farms for learning, community building and growing Good Food for All. Through their time with SOYL, youth develop skills in growing, cooking, and selling food, as well as a greater connection to themselves, their community, and the regional food system. Youth also receive a stipend and can receive school credit for their contributions.

THE CANADIAN
BAR ASSOCIATION
British Columbia Branch

THE BARRY SULLIVAN LAW CUP 2021

Tuesday, May 11, 2021 | Online

The Canadian Bar Association - BC Branch is pleased to announce that this year's **Barry Sullivan Law Cup** will be hosted on **Tuesday, May 11, 2021** from 4:00pm – 7:30pm (PT) online via Zoom. **Deadline to receive applications is Friday, April 16, 2021.**

- The topic for this year's public speaking event is:
- *Courts, administrative tribunals, teachers and, even parents strive to present a fair hearing when parties are attempting to resolve a dispute.*

How do considerations of diversity and inclusion impact what is "fair" within the Canadian legal system?

The Barry Sullivan Law Cup is a province-wide public speaking competition honouring the memory of Barry Sullivan and his contributions to both the legal and educational professions. Finalists will be judged by legal and academic professionals, which have also included from previous years, Judges from the Courts in British Columbia and representatives from UBC and the media. Students in Grades 10, 11 and 12 from all regions of B.C. are encouraged to apply.

This year's winner will receive a cash prize of \$1,500. Second and third places will receive \$250 and \$150 respectively.

Due to the pandemic, this regularly scheduled in-person event will be hosted online. As such, participants will need to have, or have access to, the following:

- A computer with functioning speakers, camera, and microphone
- Good internet connectivity to reduce disruptions during the event
- The event will be divided in two parts:

Preliminary Round: Students will be divided into small groups (breakout rooms) to deliver their speeches to the preliminary judges.

Final Round: Winners per breakout room are announced; they will move forward to compete against a smaller group of participants to the championship judges.

- *Further detailed instructions about the Zoom event will follow after participant confirmation.*
- Due the popularity of this event, schools must limit their registrants to a **maximum of five (5) students.**

If you are interested in participating please see Mr. Aitken ASAP to request an application.

Deadline to submit completed application is Friday, April 16, 2021.

UNIVERSITY OF ALBERTA

Top 3 upcoming UAlberta events:

1) **Virtual Admitted Students Day**

- All admitted students (ie: students with an offer of admission) are invited to attend this fun and informative virtual day on **April 17** to kickoff their UAlberta journey! Virtual Admitted Student Day will celebrate your students' accomplishments while preparing them to start at the University of Alberta this fall. Admitted students are invited to register for this event at uab.ca/ASD

2) **Registration 101 Workshops**

- Registration 101 workshops help your admitted UAlberta students register for their University of Alberta courses! At a Reg 101 workshop students will learn how to navigate the Bear Tracks system for course selection and registration, get advice on which courses to take in first year, and ask their questions directly to a UAlberta advisor. These workshops will be offered from late April through late May, and registration is available now at uab.ca/reg101

3) **Discover U of A**

- For your students in grade 11 and younger, we have a brand new Spring event to help them discover the University of Alberta. Discover U of A is their chance to find out what they can study, what campus is the right fit, what career opportunities are out there, what happens after class and MORE. Discover U of A will take place online over 2 evenings in May but it won't be your typical Zoom meeting - students can expect an authentic look at the academic and social life that awaits them at the U of A. Registration is available at uab.ca/recruitmentevents

In addition to these Top 3 events, students are invited to check out uab.ca/recruitmentevents for other upcoming virtual offerings, including personalized one-on-one virtual advising (available to students in any grade).

Health Care Access Program: Job Opportunity after graduation

COVID-19 has increased the need for additional staff in long-term care and assisted living services. Typically, these positions require prior experience and education. The Health Career Access Program provides a path for applicants with no health care experience to get hired and receive on-the-job training.

How to get your career started

- COVID-19 has increased the need for health care assistants in long-term care and assisted living services.
- Normally, to become a health care assistant, you must complete six to eight months of post-secondary education at your own expense before you can apply for a position.
- Through the Health Career Access Program, the Province will pay for your post-secondary education.

New hires in the program start in a health care support worker position and receive paid training that leads to full qualification as a health care assistant.

Please note: All successful program applicants must start as a health care support worker before advancing to a health care assistant position.

Health care support worker

- Health care support workers are supervised by registered nurses or other regulated health care professionals. They provide a variety of critical non-clinical, non-direct care supports to patients and residents.
- Typical duties include:
 - Participating as an integral member of a healthcare delivery team
 - Establishing a caring relationship with clients, residents and families
 - Providing support and assistance with mealtime activities
 - Providing support and assistance in carrying out activities
 - Performing housekeeping duties
 - Greeting and directing visitors
 - Restocking supplies
 - Completing and maintaining relevant records
- Health care support workers earn \$20.95 an hour.

Join the Health Career Access Program For more information visit: <https://www2.gov.bc.ca/gov/content/economic-recovery/work-in-health-care>

ERA's 2nd Scholarship Competition

- – Win up to \$10,000

Are you eligible?

- Must be a full -time/part-time student in Canada. For those participants which are outside our operating areas (Vancouver, Calgary, Edmonton, Saskatoon, Winnipeg, Toronto, and Montreal) there will be adjusted requirements. See FAQ below.

Why is ERA holding this competition?

- ERA likes to get the community involved in many ways throughout the year. This competition gives students the opportunity to gain experience, build their resume, and if they are motivated enough to win this scholarship, would be a great help financially with schooling.

What are we looking for?

- We need you to come up with a marketing plan and host an e-waste collection event in your area. You will manage every detail of this event from the planning and promoting to the execution! We want to see how creative students can get with marketing the event and reaching out to your community and local businesses to ensure the event is well attended. How will you implement your ideas to raise awareness and get your networks involved? After you have followed through with the event, the team at ERA will evaluate your work after the deadline and pick the winner!

What items do we accept?

- Cell phones, tablets, laptops, computers, servers, monitors, networking equipment, gaming consoles and similar electronics. **No household or personal electronics

This competition will start on February 1st and runs until July 31st, 2021. For more information and to enter please visit: <https://www.electronicrecyclingassociation.ca/2021-era-scholarship/>

SCHOLARSHIP

BC TRANSPLANT
Provincial Health Services Authority

This year, BC Transplant will award two \$1000 scholarships to Grade 12 students who lead an organ donation awareness project in their school or community in the 20/21 school year.

You could organize your whole school to participate in Green Shirt Day on April 7, start a social media challenge or host an organ donor registration drive in your school.

You'll need to submit a 500-word essay or short video to showcase your project.

Deadline to apply is May 3, 2021.
For more details, visit www.transplant.bc.ca

WHAT CAN YOU DO?

Show up In Green!

Get your friends, school and family to participate on April 7 by wearing a green shirt or a jersey to honour Logan's legacy of selfless giving.

Talk to your teachers, principal or headmaster about getting your school involved. Contact us to let us know who you are, which school you attend, and what you will be doing to show your support for Green Shirt Day!

Join the Social Movement

Share your photos of support for organ donation and transplantation in BC by tagging us on your social media:

- @BCTransplant
- @BC_Transplant
- @bc_transplant

Start a Challenge

Organize a social media campaign or registration drive at your school.

- If 25 students get 25 people to register as an organ donor – ask your principal or teacher to dye their hair green!
- If 50 students get 50 people to register as an organ donor – ask your principal or teacher to wear green man suits and do a dance at the assembly!

Fun Ideas (be creative!)

- Students and teachers wear green socks/green temporary tattoos/green headband
- Ask a transplant recipient to give a virtual speech
- People can also take home a registration form or have conversations about organ donation

One donor
can save up to
eight lives.

SSI is an international program that provides academically talented and highly motivated students the opportunity to learn through a data science and research bootcamp, a Masterclass lecture series, weekend challenges, and a mentored research project.

- **Bootcamp:** learn how to design and conduct a data science research project.
- Pursuing research in high school is difficult. Many students are scientifically curious and are eager to conduct research but often lack the right training to do so. The SSI Bootcamp empowers motivated high school students with the training to conduct data science research projects.
- The Summer STEM Institute (SSI) program was started last summer by educators, students, and graduates from Stanford, Harvard, and MIT. Last year, SSI received over 2,450 applications from students in 78 different countries.

Many students who attended the program said SSI changed their lives and asked for the team to continue running SSI in future years. Applications for SSI 2021 have just opened.

The program consists of three main parts:

- **Research and data science bootcamp:** Students learn how to design and conduct data science research projects. Students learn about the research process and how to apply statistical and machine learning methods to address scientific questions with real-world impact.
- **Masterclass lecture series:** Students are connected to accomplished young adults around the world. Students have the opportunity to learn about entrepreneurship from Forbes 30 Under 30 recipients, science research from International Science and Engineering Fair (ISEF) grand prize winners, and other topics from speakers with diverse backgrounds and experiences.
- **Mentored research project:** Students complete a research project through a rigorous, hands-on learning experience under the guidance of mentors. Previously, students have worked in a variety of fields, from computational biology to quantum physics.
