The One Blood for Life Foundation has exciting leadership opportunities for senior high school students passionate about healthcare.

- Canadian Blood Services is partnering with young leaders across BC to make a lasting impact on the Canadian Blood System for the coming decades. Youth leaders will be able to lead their own recruitment campaigns and provide valuable insight that will help guide provincial blood programs.
- After great success with a pilot project involving select secondary schools in Delta, Surrey, and Burnaby, **applications are now being accepted for student leader positions from schools across the province.** Successful applicants will have the opportunity to kickstart initiatives at their high schools, with **2 students from each school holding seats on a provincial youth council.**
- Students will be provided with extensive training to organize their own stem cell drives, recruit blood donors, and lead volunteer teams in their schools and communities. They will also be invited to provincial council meetings, where they get to meet with other delegates from across BC to lead the next generation of global citizens in shaping the Canadian Blood System and international stem cell registries.
- **Applications are now being accepted until December 30th** and shortlisted applicants will be interviewed in late December and early January. **There is an early deadline of December 23rd, where completed applications will be reviewed and these applicants will receive priority in securing seats as representatives of their schools and municipalities.** Students from Grades 10-12 may complete the application online at: bit.ly/bcyouthcouncil
