BC RCMP Youth Advisory Committee (YAC)

We have a 15 spots still available for the 2018/2019 school year YAC. Are you still working on your Waterloo AIF? Wondering what to say? What about Rotman supplemental? Or are you in grade 11 and thinking about where you will apply next year?

- **In addition to providing students with an efficient way to find scholarships that they are eligible for, Scholar Tree wanted to give prospective students some valuable insight from students who have walked their path before. Thus, the [ScholarTree Blog](https://scholartree.ca/blog?utm_source=email&utm_medium=email&utm_campaign=school_outreach_0918) https://scholartree.ca/blog?utm_source=email&utm_medium=email&utm_campaign=school_outreach_0918**
- **The holiday break is the prime time when students decide which University/College they want to attend next year. That is why recently our blog has featured first-hand accounts from students of how they got accepted into some of the more selective programs like:**
 - **How to get into Western Ivey and Rotman Commerce**
 - **How to get into Waterloo Engineering**
 - **How to get into McMaster Health Sciences**
- **The link for this blog is also posted on the career centre webpage under post-secondary.**

The One Blood for Life Foundation has exciting leadership opportunities for senior high school students passionate about healthcare.

- Canadian Blood Services is partnering with young leaders across BC to make a lasting impact on the Canadian Blood System for the coming decades. Youth leaders will be able to lead their own recruitment campaigns and provide valuable insight that will help guide provincial blood programs.
- After great success with a pilot project involving select secondary schools in Delta, Surrey, and Burnaby, **applications are now being accepted for student leader positions from schools across the province.** Successful applicants will have the opportunity to kickstart initiatives at their high schools, with **2 students from each school holding seats on a provincial youth council.**
- Students will be provided with extensive training to organize their own stem cell drives, recruit blood donors, and lead volunteer teams in their schools and communities. They will also be invited to provincial council meetings, where they get to meet with other delegates from across BC to lead the next generation of global citizens in shaping the Canadian Blood System and international stem cell registries.
- **Applications are now being accepted until December 30th** and shortlisted applicants will be interviewed in late December and early January. **There is an early deadline of December 23rd, where completed applications will be reviewed and these applicants will receive priority in securing seats as representatives of their schools and municipalities.** Students from Grades 10-12 may complete the application online at: bit.ly/bcyouthcouncil
