2019 UBC Engineering Physics high school info session and tour!

UBC's [Engineering Physics](#) program is one of the top engineering programs in Canada. With a formidable combination of scientific training, engineering experience, and practical hands-on skills, our graduates play leading roles in the most interesting and exciting industries and fields of scientific research in Canada and around the world:

- Artificial intelligence and machine learning
- Biotechnology
- Clean energy
- UAVs, drones, aerospace
- Quantum computing
- Engineering Physics is a very challenging program and should appeal to students with a strong interest and ability in mathematics and sciences.
- Please join us on Sunday January 20th for tours of UBC labs, a talk by the program director, and a chance to meet our students and see some of their projects.

When: Sunday, January 20th, 2018

Upcoming Spring BCom Information Sessions at the UBC Sauder School of Business.

These small gatherings provide a casual setting for prospective students in grades 8-12 to visit the UBC Vancouver campus, learn more about the BCom curriculum, tour UBC Sauder's teaching facilities, and hear from our incredible faculty. We encourage students to take advantage of this opportunity to explore their career possibilities in business.

SFU

SIMON FRASER UNIVERSITY

THINKING OF THE WORLD

SFU @ Heritage Woods

**January 29th at lunch in
the Library**

Topics will include:

How to complete your application to-do list, self-reporting grades, how to check your application status, when to expect an admissions offer, more information regarding scholarships and financial aid, and what your next steps should be after receiving an admission offer to SFU.

The University of British Columbia is hosting [Archimedes Talks](#), a speaker series aimed at talented high school students in the Lower Mainland interested in mathematics and engineering. The goal is to provide promising students with an opportunity to explore different aspects of math and applied science in an engaging on-campus environment.

Registration includes three sessions (**January 19, February 9, March 2**) and every session includes two expert speakers, a tour of an interesting location on campus, and lunch. The full schedule and session information is available [online](#). Cost is \$15.00

How to register:

Interested students need to be nominated by a teacher to participate. If you are a student who would like to attend, or a teacher who would like to nominate a student, complete this form:

<https://goo.gl/forms/xLnQo0berleCBLSu2>

ATTENTION UBC APPLICANTS!

- If you applied to UBC between Dec. 03 and Jan. 15 you **MUST** complete your STS transcript selection by January 31, 2019.
- BC applicants who submit their UBC online application **after December 3** must provide UBC with their Personal Education Number (PEN) and order a transcript via StudentTranscripts.gov.bc.ca by **January 31**. When ordering a transcript, applicants should select “*Send my transcript now and allow this Post-Secondary Institution to request transcript updates*” and choose the default date (one year from the date of their order), so that UBC can receive their interim and final grades continuously.
- First-round offers of admission for applicants who submitted their UBC online application on or before December 3 are going out now and will continue until **February**.

If you need assistance with your STS selections please see Ms. Butler in the Career Centre.

Explore UVic Event: Saturday, February 2, 2019

Whether you're applying for September 2019 or just thinking ahead, Explore UVic is your chance to see what we're all about.

• **Who should attend?**

- High school students in grades 10 and 11 starting to research universities
- High school students in their graduating (Grade 12) years
- High school graduates ready to begin your post-secondary studies
- Students transferring to UVic from other post-secondary institutions

Activities

- There's lots to do at Explore UVic, and you can pick and choose what you'll do and when you'll do it. Take in everything we have to offer, or focus on the activities that matter most to you! Full activity schedule on the website <https://www.uvic.ca/future-students/undergraduate/events/explore/index.php>

Round-trip buses from Swartz Bay

- Catch the **7:00 a.m. or 9:00 a.m. ferry from Tsawwassen** as a walk-on passenger. We'll pick you up at the Swartz Bay Ferry Terminal, and get you back for the **5:00 p.m. or 7:00 p.m. sailing**.
- Registration for the bus service closes on **Wednesday, January 30, 2019**, or when capacity is reached. The bus service is free, but you are responsible for your own BC Ferries fares.
- For more information and to register visit <https://www.uvic.ca/future-students/undergraduate/events/explore/index.php>

Are you still working on your Waterloo AIF? Wondering what to say? What about Rotman supplemental? Or are you in grade 11 and thinking about where you will apply next year?

- **In addition to providing students with an efficient way to find scholarships that they are eligible for, Scholar Tree wanted to give prospective students some valuable insight from students who have walked their path before. Thus, the [ScholarTree Blog](https://scholartree.ca/blog?utm_source=email&utm_medium=email&utm_campaign=school_outreach_0918) https://scholartree.ca/blog?utm_source=email&utm_medium=email&utm_campaign=school_outreach_0918**
- **The holiday break is the prime time when students decide which University/College they want to attend next year. That is why recently our blog has featured first-hand accounts from students of how they got accepted into some of the more selective programs like:**
 - **How to get into Western Ivey and Rotman Commerce**
 - **How to get into Waterloo Engineering**
 - **How to get into McMaster Health Sciences**
- **The link for this blog is also posted on the career centre webpage under post-secondary.**

The Beedie Luminaries Scholarship is a new scholarship for students who have faced financial adversity which may prevent them from attending post-secondary.

To be eligible for a Beedie Luminaries Scholarship, applicants must:

- Be a Canadian citizen or permanent resident for at least three years
- Reside in the Lower Mainland
- Be in Grade 12
- Have applied (or plan to apply) to a BC post-secondary institution or trade school for a full-time program commencing no later than September 2019 (only the selected eight institutions will be eligible in 2018/19 UBC, SFU, Capilano University, Kwantlen Polytechnic University, Langara College, Douglas College, BCIT and JIBC).
- Have a minimum overall grade average of 75% in their most recently completed school year
- Have faced financial adversity
- Use funding for a post-secondary institution, trade school or college
- Be endorsed by their school principal, a teacher or counsellor (required) and a community organization (optional). The letters of endorsement must be included with the application.

- The deadline to apply is Feb. 15, 2019. This scholarship is worth up to \$40,000 over a 4 year Bachelor's degree or \$15,000 for a 2 year college or trade diploma.
