Are you still working on your Waterloo AIF? Wondering what to say? What about Rotman supplemental? Or are you in grade 11 and thinking about where you will apply next year?

- **In addition to providing students with an efficient way to find scholarships that they are eligible for, Scholar Tree wanted to give prospective students some valuable insight from students who have walked their path before. Thus, the [ScholarTree Blog](https://scholartree.ca/blog?utm_source=email&utm_medium=email&utm_campaign=school_outreach_0918) https://scholartree.ca/blog?utm_source=email&utm_medium=email&utm_campaign=school_outreach_0918**
- **The holiday break is the prime time when students decide which University/College they want to attend next year. That is why recently our blog has featured first-hand accounts from students of how they got accepted into some of the more selective programs like:**
 - **How to get into Western Ivey and Rotman Commerce**
 - **How to get into Waterloo Engineering**
 - **How to get into McMaster Health Sciences**
- **The link for this blog is also posted on the career centre webpage under post-secondary.**
