Good Morning	I'm _____, I'm _____, and I'm _____, and these are the morning announcements:
--------------	---

[Ten for Terry!](#) NEW

This is the last weekend to get your \$10 for Terry! Mrs. Campbell and Mrs. Caldwell's class has blown all expectations out the window! Even with their contribution, we are not at our goal... Let's get out there and raise \$5500!! Do your part to find a cure for cancer! It's never too late!

[Grade 5 Tour Leaders](#) NEW

There will be a brief meeting Friday at the beginning of lunch in the Art room for all students who will be conducting Grade 5 tours next week.

Also, we are still looking for former Parkland and Baker Drive Grade 6 or 7 students who are able to conduct tours for the grade 5s on Monday. Please see Ms. Dhaliwal at lunch in the Art room for a permission form. Thank you!

Have a good day! ☺
