Good Morning. I'm \_\_\_\_\_ and I'm \_\_\_\_\_ and these are the morning announcements.

### World Teachers Day

Around the Globe, teachers are being celebrated for their work and their gift of time that they dedicate towards educating the future generations of tomorrow. Today, you can make a difference in the life of your teacher by simply offering some thoughtful words of GRATITUDE. So, when you get a chance, say thank you to your teacher for simply being a teacher.
