Supper Club - Those who successfully registered for Hillcrest's first rotation of Supper Club, please meet in the Outdoor Ed room (103) for an important but quick meeting at nut break today. If you didn't get into this round of Supper Club, not to worry-there will be plenty of opportunities to join supper club throughout the year!

SOGI Club - Are you interested in exploring topics related to the LGBTQ2+ community? In this group we will discuss different issues that the LGBTQ2+ community face, give education to staff and students and hold events to target our group's initiatives. This club is open to not only LGBTQ2+ students but also their friends and allies. It's a great way to make new connections and work towards a more inclusive school community! We will be meeting on Mondays at lunch in room 103. This is the Outdoor Education room so please come in the door by the music room. Today is our first meeting and we will be meeting after students eat their lunch at 12:39pm.
