## Daily Announcements

Tuesday, April 26, 2022

Good morning.

We'll be back in 30 seconds with your morning announcements.

Here are your announcements:

At Hillcrest we are lucky to have a unique courtyard garden in the center of the school. Would you like to help clean up and improve this space? Do you enjoy gardening? Are you willing to get your hands a little dirty? Would you like to have a positive impact on the Hillcrest community? Then **courtyard club** is for you! Come and sign up in the outdoor ed room (103) at Nut break today to find out more info.

**HLC Meeting** today. Bring your lunches as we have a full agenda and a number of jobs to complete today!

The **Rugby** season is underway! Practices are every Tuesday and Thursday afterschool! If you still want to join please see Mr. Martin or Mr. Arthur to pick up a permission slip!

Don't forget to keep bringing **Toonies for Terry** to your classroom teacher this week. Each class is trying to raise at least \$50, which would be over \$1000 as a school.

Intramurals today. Grade 6 spectators welcome in the gym at lunch after the bell. Team Tigers vs Yass and Team Galaxy vs Spidey Senses.
