Grade 7/8 Girls Basketball team, reminder that we have practice today at lunch, please attend if you are going to be coming to today's away game.

Want something fun to do with your friends? Come join **board game club** today at lunch in the learning commons and learn a new game or play a good ole' game of Uno.

A reminder to **supper club students** that we are making lazy-chicken pot pie tomorrow! Vegetarians may want to bring an extra vegetable or veggie meat to incorporate into their dishes. Bring your containers and line up outside the home-ec room at 3pm.

Any **Eagles** students who would like to compete in their **Team MasterChef** competition should attend the rehearsal meeting on Monday during Block A. So, if you have a signature recipe or just like to cook come to the Home Ec Room on Monday. No food items are required on Monday.
