

DAILY ANNOUNCEMENTS

Friday, February 10, 2023

Happy Friday Hillcrest Students!

Did you know that next week is **RAC** week in our province? RAC stands for Real Acts of Caring and was started by students in SD43. If you love to craft and make cards, Ms. Litz is hosting a card making RAC opportunity next week Monday-Tuesday-and Wednesday at lunch. The cards will be given to people who live at the Lakeshore Care Home in Coquitlam, and who could use some positivity and encouragement. If this interests you, you can see Ms.Litz for more details, and listen to next weeks announcements!

Candygrams!!! Did you miss your chance to buy a candygram when we came to your classroom? Well don't worry!! Today after school by the office we will be selling for the final time. Bring your loonie and purchase your candygram after school today.

Any **Eagles Yellow Team** students who would like to compete in their Team MasterChef competition should attend our rehearsal meeting Monday Block A – no food items are required.
