Thursday, February 16, 2023

There is a mandatory meeting today in Mr. Arthur's room for all **Grade 6 Basketball** players planning to attend the tournament next Thursday at Pinetree Secondary School.

A hard battle against Maple Creek yesterday by the **grade 7/8 girls basketball** team, they played hard through some tough plays and kept their heads in the game. Some great defensive plays by Alex B and Keira C, and some great baskets made by Keira B! And some amazing hustle and hard effort plays by Aja, never giving up on a play. Great game ladies way to represent Hillcrest.

Seeing as you can't keep a good monster down, we will be having a **D&D Club** meeting this Friday after school. After all, someone has to keep the school safe from goblins, kobolds, bullywugs, and abominable yetis. You're welcome, Hillcrest! It's just another day at the office for a D&D character. Now, where did I put those caltrops?
