LLC Club - Attention all bookworms: The Library Learning Club is now open for reading today, come and join us!

Reader 1: Sweet AC/DC shirt you're wearing today.

Reader 2: Thanks. I love AC/DC! They sing my favourite song, (Singing, sort of): "'Cause I'm D.N.D., I'm dynamite" You know the one.

Reader 1: Uh, I'm pretty sure that song is called T.N.T....because, well, T.N.T. is an acronym for dynamite. You know, the explosive.

Reader 2: Oi!   So I've been singing the lyrics wrong all this time?!

Reader 1: I think so. But I shouldn't talk. My favourite song is "In A Gadda Da Vida" by Iron Butterfly.

Reader 2: Wanna rock and - ahem - roll? Come to the D&D Club today after school. That's D&D Club today after school. You're welcome.
