Ok Hillcrest Get ready to be amazed! Last week our very own Hillcrest student, Rebecca Sun from Division 2, went to Toronto to play the piano at the Canadian Music Competition. Rebecca played a piano duet with another student from Coquitlam named Wilson. It is a great honour to even just qualify to perform at this national competition. And guess what? Rebecca and Wilson won first place in their duet category. First place! And guess what? We get to hear Rebecca and Wilson play this afternoon at the talent show. Congratulations to Rebecca for achieving such excellence on the piano and we look forward to hearing you play later today!
