Summer 2012

WELCOME BACK!

Dear Parent/Guardian of _____,

We hope you are enjoying your summer. We are anticipating with excitement the beginning of the new school year ahead. In addition to welcoming all of Hillcrest's students, their families and our staff back to school, we would like to extend a very warm welcome to new students, their families and new staff. We as a staff and learning community will strive to make _____'s upcoming school year their best one yet!

For students new to Hillcrest this year, Mr. Aitken our school counsellor, will be available on Thursday, August 30th between 10:30-11:30 and 1:30 – 2:30. We know a few of our new students may be a bit nervous about the transition to Middle School. Students will have the opportunity to familiarize themselves with the school and ask Mr Aitken questions that may be causing concern.

The first day of school is Tuesday, September 4th. Our goal is to make this day as positive and inclusive a beginning as possible for our students. The schedule is as follows:

OPENING DAY – TUESDAY, SEPTEMBER 4th

GRADE 6/7 STUDENTS

9:00 – 9:45

All Grade 6/7 students will meet in their assigned teams. Each team will be greeted by its teachers at a designated entry place around the school. Please refer to the map in this mailing for your child's team meeting place. Students will be ushered into their team's classroom area where they will do an ice breaker, have attendance, and be given some important notices to bring home. At this time, students will learn tentatively who their home room Core teacher will be.

GRADE 8 STUDENTS

9:30 - 10:15

All Grade 8 students will meet in their new teams. Please refer to the map in this mailing for your child's team meeting place. Students will be ushered into their team's classroom area where they will do an ice breaker, have attendance, and be given some important notices to bring home. At this time, students will learn tentatively who their home room Core teacher will be.

Please note that the Grade 8s will begin at 9:30, a half hour later than the Grade 6s and 7s. Grade 8s who are arriving early will be asked to wait outside the school at their designated meeting place.

PARENTS are invited to the library/courtyard for coffee and refreshments from 9:00 – 10:15 am. This will be a great opportunity for you to meet some of our Parent Advisory Committee (PAC) members!

SCHOOL BUS: Please note our school bus will begin operation on Wednesday, September 5th. There will therefore be **no bus service on Tuesday, September 4th**. Please see the school bus information enclosed in this mailing

Enclosed in this mailing: Opening Week Info, School Supply List, PAC invitation and PAC family donation letter.

Please do not hesitate to contact us if you have any questions, at any time. The school will be open the week of August 27th from 8:00 am until 3:30 pm. We look forward to working together with you in the coming year to support your child's education during this important time in their life.

Enjoy the rest of your summer!

Sincerely,

Nadine Tambellini, Principal

Jason Hewlett, Vice Principal

OPENING WEEK

Wednesday, September 5th will be your child's first full day of school for the year. Students will begin their day by reporting to their Core class "homeroom" where they finished up the previous day. On Wednesday, Thursday, and Friday activities will be planned to welcome students and orient your child to their team, core classes, and the general expectations. Students will be assigned their locker and planners and textbooks will be distributed. Your child will begin his/her first term of Explorations classes on Wednesday.

This year classes will begin at 8:35 am and conclude at 2:55 pm. Students should arrive at school prior to 8:30 am so they have time to visit their lockers and be in class by 8:35 am.

School bus service (schedule included) and Cafeteria service will begin on Wednesday, September 5th.

STUDENT INFORMATION / STUDENT EMERGENCY RELEASE FORMS

Enclosed in this mailing are important forms that you need to complete for your child and have them hand in to their teacher or to the office the first week of school. The release information you provide is critical in the event of an emergency. In the event of a student release situation, your child will only be released to the adults identified on this form.

ON-LINE NEWSLETTER AND HILLCREST WEBSITE

Last year nearly 80% of our families received the school newsletter electronically. Our goal is to increase that number this year! We want to ensure that you receive the newsletter and other important school news promptly and efficiently. (We find hard copies often get stranded in the bottom of backpacks!) We have also saved significantly on our photocopy costs and redirected funds to learning materials and resources.

Please write your email address on page 2 of the enclosed Student Emergency Release form so that we can email our newsletters to you.

We also encourage you to visit our website:

This site provides you with information about daily life at Hillcrest including our school Calendar and Student Handbook.

STUDENT ACTIVITY FEES (\$35 PER STUDENT)

Just a reminder that student fees are due Wednesday, September 5th. Please provide a cheque for \$35 payable to Hillcrest Middle School. Student fees pay for the cost of many things, including transportation, Team Awards, and student planners/agendas (to be given out on Wednesday, Sept. 5th). In addition, student fees also help defray the cost of special events for the students throughout the course of the year. Please contact Miss Tambellini or Mr. Hewlett if you are unable to provide the student fees at this time.

PARENT ADVISORY COUNCIL

All parents are invited to attend the first PAC meeting of the year to be held on Tuesday, September 18th. The monthly PAC meetings are a great opportunity for you to find out more about the programs and happenings at Hillcrest. Parent involvement, at any level, is strongly encouraged and appreciated.

PAC Annual General Meeting September 18th 7:00 pm in our Library

THE HILLCREST BUS: Bus service begins on Wednesday September 5th. The Coquitlam School District provides transportation by bus for students who live 3.2 km or more from the nearest elementary or middle school. These guidelines are established by the Ministry of Education. Only those Hillcrest Middle students who live east of the Lougheed Highway are officially eligible for bus transportation. However, Hillcrest Middle has also arranged for students who live closer than the 3.2 km boundary to ride the school bus as “courtesy riders”. Courtesy riders may use the bus stops noted with an asterisk (*). Please note that courtesy riders will only be permitted to ride if there is enough space on the bus, therefore students should have a back-up plan. There are behavioural expectations regarding student conduct while waiting for and riding on the bus. The District Code of Conduct governs travel to and from school. Mr. Hewlett will meet with bus students during the first week of school and explain additional details.
