Teachers, please send your international students on the list to Mrs. Chan's room for testing.

[Library Crew](#) 

Do unruly book shelves bother you? Do you like the smell and touch of a new book? Do you like dibs on new books that come into the library? Well, contribute to the Hillcrest community and join the library crew! Come see Ms. Trieu today at nutbreak and lunch to sign up!

[Beginning Band](#) 

One week from today Beginning Band Rental Night will be held in the Dramus Room. Wednesday, Spetember 23rd, so not tonight but in seven nights, at 6:30 pm, representatives from Long and McQuade will be in the Dramus Room with lots of instruments for students to rent. They'll also have books and cases and reeds and lots of stuff to help make learning music easier. If you want to join Beginning Band, come to the Dramus Room next Wednesday Night! Oh, and keep your eyes peeled for more information on posters around the school.

[Spirit Squad Meeting](#) 

Have you gotten your Spirit Squad application form yet? Spirit Squad is Hillcrest's Leadership Group. They run assemblies, organize dances and lead three spirit days, one each term. This year Spirit Squad will also be involved with helping around the school. If you'd like to try peer tutoring or guiding visitors around the school, helping with athletics or even helping out in the office, you should join Spirit Squad. Applications are available from Mr. Balsler or Ms. Penner-Hunt and the first meeting si tomorrow in the Dramus Room.

Have a good day! 😊
