

SPRING BREAK DAY CAMPS THE "SCHOOL OF WONDERSTANDING" 2014

The Professional Development Program at Simon Fraser University is excited to offer four days of hands-on, action-packed activities this **Spring Break** from **Tuesday, March 25th through Friday, March 28rd, 2014** for students from grades K-5. The four days of activities will run from **9:00 a.m. - 2:45 p.m.** each day.

This unique opportunity is part of a wonderful community partnership between Simon Fraser University and School District 43. During the four days of our "School of Wonderstanding," students will participate in a number of different activities such as cooking, crafts, indoor/outdoor games, dance/sports, science experiments and drama and of course FUN. All sessions are fully supervised by Student Teachers in the Professional Development Program, as part of their teacher training program, working along side certified teachers. Each session is designed to excite and delight participants with hands-on, creative learning opportunities to strengthen the connection of "wonder" and "understanding" for the world around us.

The "School of Wonderstanding" will be running out of 4 schools locations. **Seaview Elementary School** will be offering "School of Wonderstanding" activities with some additional cultural content with an *Aboriginal* theme. **Kwayquitlam Middle School** will be offering a French language "School of Wonderstanding".

The cost for all 4 days of activities is **\$60 per student**, which includes supplies and materials. Participants will need to bring snacks, bag lunch, water bottle, dress comfortably and come ready to have fun!
