## School Travel Planning Follow-Up Survey

24 October 2016

Dear Parent (Guardian):

Maillard Middle has been working together with the City of Coquitlam's School Travel Planning program to help reduce school traffic congestion and encourage more students to walk, scooter, skate or cycle on their journey to and from school.

Maillard Middle took part in this program to:

- Improve safety in our community
- Increase the health and well-being of our students
- Increase the amount of students arriving alert and ready to learn
- Reduce pollution where our students play; and
- Reduce traffic congestion at and around our school

Some highlights from the last year include: Crosswalk assessments and upgrades, TravelSmart Youth Leadership program, HUB Cycling training, and a Maillard Bike carnival.

This follow-up survey is to help us understand the impact that School Travel Planning has had on travel behaviour at Maillard.

Please access the on-line survey by visiting this link and follow the instructions
