

# FUN DAY

## November 19

### MONTGOMERY MIDDLE 9:00 - 3:00

1900 EDGEWOOD AVE COQUITLAM

#### Bristle Bots

Use tiny motors and household items to create bots that go!

#### Balsa Build

How can tiny little pieces of wood hold up hundreds of pounds? Find out and try yourself!

#### Would I Lie to You?

Use your creative thinking skills to break into the secrets of magic tricks and fooling an audience!

## The Secret Life of...?

Come build, create and invent in an **Odyssey of the Mind** workshop! Students will use **recycled materials** and their own **imagination**s to create fantastic solutions to problems - developing their **creative thinking** and **technical skills**!
