Glad to have everyone here, If you can just turn on your video even just for a few mins so we can say hello and put a name to your faces.

Motion to Pass Minutes from our March 2021 and April 2021 Meeting. Motioned by Andrea Pantages Kandola and seconded by Robin Selman.

Motion to pass the Agenda for tonight's meeting. Motioned by Dori Petria and Seconded by Robin Selman.

Principal Report: Thanks everyone for coming. The government has been talking about the restart plan, what is happening in the school will be that Masks are mandatory continuing for adults and grade ½ students. Currently the government has it set for gatherings of 50 people. According to the District and Ministry of Education, nothing is changing for schools regarding end of year events. Schools will operate as the current plan. In September we won't be in cohort groups and have as many restrictions as long as everything goes according to plan. To be clear nothing is changing for the end of the year and the restrictions, we are having a Welcome to Kindergarten Event outside in the courtyard, there will be 5 families at a time in a safe way. When it comes to Grade 5 leaving, even though there are changes coming June 15th from the government, our school plan stays the same. The Grade 5s will be in the gym in their cohort groups and have a chance to walk across the stage, unfortunately it is what we have to stick to, all schools are doing it even Grade 12 students. We are keeping with plans and routines until the end of June this year, and we can revisit the plan in September. The Bell schedule will be adjusted for the coming year by one minute, due to the number of days of instruction next year. I have to submit a new code of conduct to the District, most is the same but there will be a few new items. It will be available on the school Webpage.

Treasurer's Report- Douglas Dunn- There was no new major financial updates due to not alot of events going on. Financials are in the midst of being filed for gaming events and year end reports are currently being worked on.

DPAC Report- Dori Petria- DPAC Executives were elected last night. The information will be available on their website. PAC 101 Meeting will be October 7th, 2021

Manisha Bogwald was appointed the position of Secretary for the 2021/2022 term.

Thank you Robin for your offer and thank you Manisha for taking the position on.

Due to the uncertainty of COVID Protocols in September we are putting on hold planning of events and committees until September.

Old Business

Grade 5 Leaving Celebrations- the committee has discussed ideas and are currently planning a drive thru event. They were waiting to find out the final info on the school end. Will most likely be the last day of school to coincide with the school's event. The school event will be recorded for the students. The only thing that has been approved from the district is a drive thru event. The idea is that PAC will give grade 5s a goodie bag and will have decorations at the event, as well as a gift card for ice cream, as the grade 5 traditions.

Teacher Appreciation- The committee came up with an idea to fill the front entrance of school with a paper flower decorated by students between June 13 - June 20th. The gift will be a potted succulent, and a coffee gift card with a tag for each staff member. We have reached out to parents to ask if anyone would like to donate a monetary donation. This will be delivered to school June 20th. Thank you to Holly, Dori, Andrea for your help.

Hot Lunch- We are teaming up with White Spot again. Each Cohort will have a hot lunch on a Friday until the end of the year. Only payable via school cash online. An email will go out weekly to the class for orders.

New Business- No New Business.
