## Volunteers:

Every day is a success thanks to the families here at this StrongStart centre. It is because of you that this classroom is tidy, welcoming and safe. Our community here is a lovely place to learn and play and eat fresh snacks. Together we make all of this happen each day.

Thank you to all of you who help in every way you can every day! If you want to know how you can help you can ask me any time during class. Please help to be sure that we all do our part and not just one person is doing snack, cleanup, or welcoming new guests...it is all of our job to make this classroom welcoming and fun.

Thanks again!

## Curriculum Summer

### Welcome to our classroom!

### Spring Garden

Plant a seed and watch it grow! We will plant many food varieties and flowers here in our StrongStart room.

### Bug Exploration in the Forest

We are enjoying our forest activities. We have explored the habitat of insects in our forest. We plan to paint as we sit in our beautiful forest...what else? We hope we will see the berries ripen in our forest! Take a look at our photos posted in the classroom. We will use copies of these photos for our journals.

### Librarian Visit

Our Port Moody Library Librarian will be here on May 10 and June 14. Lets welcome her wonderful talent at 10:00 am sharp here in the StrongStart room.
