You may notice that there is no option to sign up for Percussion. That is because all students in Jr. Band will start each rehearsal with a practice pad and drumsticks, provided by Mrs. Reichert. At the beginning of each rehearsal, we will warm up with a few minutes of rhythm studies as a group. This will benefit every student, no matter what instrument they play. When it comes closer to the concerts and performances, Mrs. Reichert will choose students who have an interest to play percussion for one song in addition to playing their main instrument on the others. If you have any questions, please don't hesitate to contact Mrs. Reichert at mreichert@sd43.bc.ca.
