March has been filled with gymnastic equipment, crazy hats and socks and numeracy collection tasks. Mundy Road has a school focus on numeracy and improving student achievement in this area. Last week students had the opportunity to participate in a district numeracy collection assessment with their classroom teacher and District support staff. Students demonstrated their understanding of numbers using varying manipulatives and counting strategies. Please see some pictures on page 2.

Student learning updates have been published and are available for viewing on the MyED BC parent portal. Learning updates have been written with care by classroom teachers and support staff and share the strengths and stretches of your student. If you need support in accessing your child's report, please contact the office at

Happy Nowruz to all who celebrate. Nowruz, the celebration of the New Year, transcends borders and cultures. It marks new beginnings, the arrival of spring, and the rebirth of nature. For more than 300 million people worldwide, it's a time to come together with family and friends, reflect on the past, and look forward to a brighter future. Nowruz is Tuesday March 19th this year.

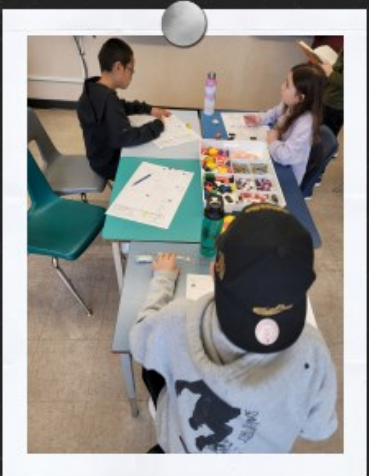

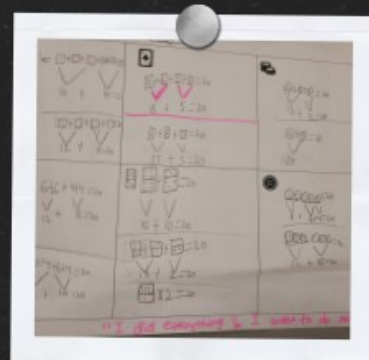

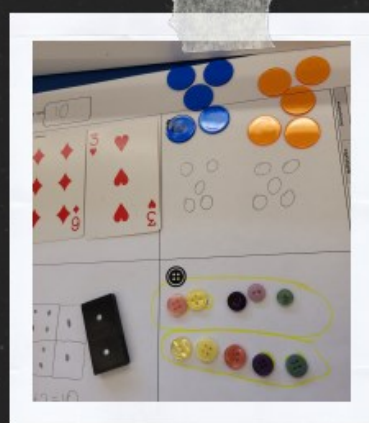

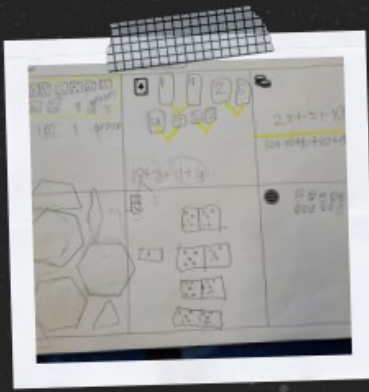

Fraser Health has issued a memo reminding families to check the status of the MMR vaccine. Please check page 8 for additional information.

As always it has been a busy winter, and we hope our families and staff have an enjoyable, restful Spring break. We look forward to seeing everyone back at Mundy Road on Tuesday April 2nd.

Did your child receive the MMR vaccine?

Measles cases are being reported in many places internationally, in Canada and in B.C. We would like to remind you to check your child's vaccination records before travelling during Spring Break to ensure they are protected.

Measles is a serious illness caused by the measles virus. It is very contagious. It can spread easily through air.

Symptoms of measles include fever, cough, runny nose, and inflamed eyes that are often sensitive to light. These symptoms are followed by a rash, which starts on the face and neck and spreads to the chest, arms and legs.

Measles can cause complications like inflammation of the brain (encephalitis), which can lead to seizures, deafness or brain damage. Other complications can include ear infection, diarrhea, pneumonia and death. This is why protection by vaccination is so important.

Getting your child vaccinated on schedule is the best way to protect them from this preventable infection. **The MMR vaccine is recommended for all children and is provided free in B.C.**

In B.C., measles vaccine is given as a series of 2 doses.

- First dose is given as the measles, mumps and rubella (MMR) vaccine on a child's first birthday.
- Second dose is given around the time of starting school (at 4 to 6 years) as the measles, mumps, rubella and varicella (MMRV) vaccine.

All school-age children and teens who have not been vaccinated should get 2 doses.

If you plan on travelling internationally:

- Babies between 6 months and 1 year should get vaccinated against measles before travelling internationally. This dose is not included in the routine two doses but will add to protection against measles while travelling.
- Children between 1 and 4 years can also get their second dose early if they are travelling internationally before they are due at age 4.

If your child has not yet had their vaccines, please make an appointment with a public health unit, family doctor or nurse practitioner. Children 4 years or older, as well as adults, can also be vaccinated in pharmacies. Not all family doctors, nurse practitioners, or pharmacies offer vaccines, so make sure to call ahead and check.

To make an immunization appointment at a public health unit, call:

- 604-702-4906 (residents of Mission, Abbotsford, Chilliwack, Agassiz and Hope)
- 604-476-7087 (residents in all other areas of Fraser Health)

For more information, please contact your local public health unit or visit our website at: fraserhealth.ca/immunizations.

For over twenty year, Mundy Road has hosted a bike club, and we would like to carry on the tradition again this year. We are looking for parent volunteers who would be interested in helping the teachers run the club. It typically runs in April and May and involves weekly bike rides (or learning sessions) that run 3:00-4:30 on Wednesdays.

You don't need to be an expert cyclist – just willing to share a positive attitude on some trails in the forest!

If you are interested in having fun on two wheels with some fun kids – please email Mr. Porter (kporter@sd43.bc.ca) before Spring Break begins. If you have any questions or would like additional information, please feel free to email him. Thank you!

Schoolcashonline.com this website has all of our school based forms and payments like planners, fieldtrips and volunteer forms etc.

[MyEducation BC: Log On \(gov.bc.ca\)](http://MyEducation BC: Log On (gov.bc.ca)) this is the “family portal” where you will see Learning Updates (*formally called report cards*) this account requires you to change your password every three months. We suggest logging in to set it up prior to December so you can see your child’s learning update right away.

Did you know you can pick up a waiver form at the office for your criminal record check? This waives the fee at the RCMP.

All volunteers need to fill out the forms on school cash online (link above) annually but the criminal record check lasts 5 years! If you have any questions please email Ms. Sander.
