Movie Night Thank You

Thanks to all of the families who came out and enjoyed Movie Night and saw the very funny movie Despicable Me. Over 100 children and adults attended and over \$360. was raised for the playground fund.

Thank you to Mr. Reis for making Movie Night possible by volunteering his time after school to set-up and test all of the equipment for us and for actually saving Movie Night before it even got started, when it turned out that there was a missing wire, he graciously went and got one from his own home for us! And a big Thank you to everyone for your patience when we had technical difficulty in the middle of the movie and a Huge 'thank you' to Mr. Thompson - who saved Movie Night for the 2nd time, by going home and coming back with his own DVD Player and a 2nd copy of the Movie, just in case!

As always, these fun school events can't run without all of the great volunteers behind the scenes as well.

Many thanks to Mrs. Cinelli and Mrs. Milligan for popping all of the popcorn. And all of the following volunteers who helped with some or all of the following: set-up of the gym, concession, door greeters, clean-up.

current and former student helpers: Cam Milligan, Allie Antunnes, Sophia and Josh Cinelli and Sarah Smith

Parents: Janet Andrew, Will Clements, Gina Johnstone, Lori LaCroix, Michelle Meech, Tina & Warren Thompson, Teri Towner, Ava Maputi, Karlene Young, and Bruce Meek.

And to all the families and kids that cleaned up the gym after the event - Shannon and Diane as well as Mr. Graham our Custodian - greatly appreciated all of your help! And our green waste experiment, throwing the popcorn bags, napkins, stir sticks into a separate container to be composted, saved more than 2/3 of a garbage can of waste going into the garbage - Congratulations!

And a final thank you for all of the food donations from families who attended. In total, the night raised more than 30 pounds of food for the SHARE food bank.
