

Heritage Woods Secondary School Music Department is proud to introduce: A Night of Classical Music a benefit concert for Unicef Canada with our grade 10 student Gene Emerson. Gene Emerson is a young aspiring Canadian composer of classical music. We invite everyone to join us for this magnificent concert.

Vancouver Symphony Orchestra

Mrs. Fester Music teacher

I believe, after 21 years in education throughout B.C., in our fast paced digital world, music has taken on an even greater importance in students educational life. I am very happy to see our students continue in a musical journey that has a life-long effect. In this context, I am proud to see that one of our students Gene Emerson with her classical music compositions, can represent such spirit and love towards music and humanity. Please join us for “A Night of Classical Music Concert” with our young Canadian composer Gene Emerson.

Mr. Ken Cober Principal

I would like to invite everyone to “A Night of Classical Music at Heritage Woods Secondary School” by one of our grade 10 student Gene Emerson. Gene is a young Canadian composer that has already composed over 15 pieces of classical music. Since Dec 21, 2010, when Gene’s music was first introduced on Youtube, Gene has received over 150,000 uploaded views and 7,000 subscribers and supporters world wide. Gene’s music is truly authentic, emotional and profound. I encourage everyone to participate in this wonderful and amazing concert.
