Chair's Note

Hello Mundy Road Families,

Did you know that our PAC is part of a larger group of District Parent Advisory Councils?

And that group is part of British Columbia Confederation of PACs?

In this newsletter our Mundy Road representative to the DPAC, Teri Towner, has included some great information and links that I hope that you will check out.

Also just in time for Spring, the PAC is offering two timely fundraisers: read on for information about the plant sale to brighten up your garden, and the final DDA Clothing Drive pick-up to help clean out the closets.

Thank you to all who made the Playground Celebration a great success. The kids clearly had a great time as the ribbon and cake were cut, and balloons brightened a blustery day!

We invite parents and guardians to join us at our next PAC meeting on Wednesday, April 18th at 7:00 in the school library- new faces are always welcome .

Let's educate ourselves

Hi Mundy Road Parents!

On behalf of the District PAC43, Dave Sands, of SD43 will be presenting a Parent Ed session on April 30 - from 7:00 - 9:00pm on parenting in our digital world.

Here is the newspaper article about it - "What Makes Your Kids "Click"?"

I attended last year and it was REALLY good. Very relevant, informative and Dave is a fabulous presenter. I highly recommend you attend if you are able.

You have to either e-mail or call the number to register - the space will fill up. Call Sandy at the DPAC office 604-939-3690 or e-mail dpac43@telus.net.

I hope to see a whole bunch of you there. :-)

Cheers!

Teri Towner, PAC Liaison Co-ordinator, DPAC43

Hi,

I am the PAC Liaison Co-ordinator on the District Parent Advisory Council for the school district 43 executive (DPAC43) and want to bring to your attention two things:

- 1.) the newly revamped DPAC43 website and
- 2.) the DPAC43 Facebook page.

The link to the DPAC website is: <http://inspire.dpac43.org/> and I highly encourage you to visit it.

The Facebook page is simply called DPAC43. This page is regularly updated to include:

- Relevant & timely information regarding the many initiatives, programs and goings-on taking place in this amazing school district of ours
- information received at the monthly general meetings - from our superintendent & other speakers
- news/updates from BCCPAC (The B.C. Confederation of Parent Advisory Councils)
- Links to relevant articles, updates, messages, resources on various websites including School District 43, DPAC 43, BCCPAC, Ministry of Education etc.

If you could please take a minute to visit the Facebook page I would really appreciate it. And if you like it, please "like" it. ☺ You will then see updates to the page in your Facebook newsfeed. My DPAC executive colleagues have challenged me to try and get 100 "likes" by Spring Break.

Most importantly though, is making you aware that this information is out there, right at your fingertips. Even if you aren't a Facebook user, you can still view the page – it will appear just like any other website.

Here is the link <https://www.facebook.com/pages/DPAC-43-District-Parent-Advisory-Council/228435917213186>

If you have any questions or suggestions as to what other types of information you'd like to see, please drop me a line – either via Facebook or e-mail: teritowner@gmail.com

Thank you.

Teri Towner,

PAC Liaison Co-ordinator, DPAC43
