Constitution on website

ACTION: Sarah to prepare a clean copy with changes incorporated and file with DPAC and post on Bulletin Board and on PAC website.

Bring Forward to September:

ACTION: In September, canvass the PAC community on what kind of programs parents would like for after school programs and what type of Parent Education topics people are interested in. Sarah to bring this item forward to September PAC agenda.

ACTION: Bring forward the idea of a Traffic Safety assembly in September – Rob Wright. Also, include some education in a September newsletter for parents. Janice Doege to help craft this.

PAC Executive pictures/bios for fall – When & How?

Let's do a group photo for the Fall in front of the school.

Follow up: First day of school welcome table & Welcome back message from PAC on first day of school

Mad Science (Marcy)

Communication for Next Year (Ryan)

PAC Bulletin Board

The PAC bulletin board is out of date. It should be updated this fall. Is there some space in the primary area where PAC could also post info?

ACTION: Tamara, Christine, Ursula will take a look at the Bulletin Board and make recommendations on what to put up there.

Nutrition program

We should apply again to Breakfast for Learning for gift cards again if our type of nutrition program is still eligible. If they decline it, the PAC will fund it. Tamara also can get very low priced fruits from a personal contact.

ACTION: Rob will have to apply for the BFL funds for next year. Ryan will ask him.

Pub Night/Carnival (Bring Forward to Nov?)

ACTION: Christine will evaluate it and if she wants to move forward will sketch it out by November 30. The PAC will review it.
