In Attendance: Cynthia Fong, Una Wong, Tamara Sherdahl, Ursula Elliott, Ryan Robinson, Gurj Parmar, Sarah MacDonald Staff: Rob Wright.

Welcome and Introductions

Approve Minutes of September 14, 2016 Motion: Tamara Sherdahl Second: Gurj Parmar. Approved.

Approve Agenda Motion: Cynthia Fong, Second: Una Wong. Approved.

Chairperson's Report (Ryan Robinson)

Great to have a big turnout for the initial meeting. Hopefully more parents will come back and continue to show up to participate in the PAC meetings.

Principals Report

We've officially got the Falcon logo on the website now.

Sports Day was fabulous. Picture retakes are on Oct 27th. Open House was well attended. Teachers were very happy to see so many parents and heartened by the participation at Mundy.

PAC Hallowe'en event coming up.

Volleyball is starting. Practice is Monday and Wednesdays. We will have about 30 kids. It's co-ed. There is a Jamboree December 7th and a few games set up between now and then – mostly home games on Wednesdays at the end of the school day.

BOKS started last week on Friday morning. It's a fitness program every Friday morning at 8 am. We may increase it to more days per week as we go along. It's also a place for Leadership students from Charles Best to practice their skills.

Through the recommendation of PAC last year, we are focusing on dance this year for our sports program budget. We're booking a Hip Hop teacher for April 10-13.

Rob would like to show where some of the curriculum and action plan for learning materials are on our website.

ACTION: Sarah to put Rob Wright demo on Mundy's Action Plan for Learning on November PAC Agenda.

Committee Reports

District PAC Rep (Cynthia Fong)

No report

Communications & Website (Una Wong)

Sent out a draft of the first newsletter for review. (Great job on the pics Una). We will add thank yous for the contributors from last year's pub night.

Una wants previous PAC Minutes on the website to be archived but can't do that technically. Rob will assist in helping out with resolving that.

Volunteers (Kathy Banner)

Not present. No report.

Fundraising (Tamara Sherdahl)

Fundscrip paper forms went home with kids today. Bulk order will be done (free shipping). Order will go in Oct 24th.

Clothing drive is set up. Notice will go out next week and will go until Dec 13th.

Parent Donation letter will go out soon as well.

We will look at doing 50/50 draw for Hallowe'en event and Christmas Concert.

Hot Lunch (Nicole Schenato)

Not present. No report.

Emergency Preparedness & First Aid (Wendy Dhillon)

Not present. No report.

Safety (Janice Doege)

- 1.) I have coordinated with the RCMP as I thought it would be useful to have a police officer come out again like last year and give a talk to the kids about Pedestrian Safety, Stranger Danger and safety tips at Halloween.

They wish to come in the near future to speak on safety tips at Halloween and then come back in the New Year to give a talk about Pedestrian Safety and Stranger Danger. I've forwarded the info on to Rob via email to arrange a date that works.

Rob said Oct 26th is tentative date for Hallowe'en safety.

- 2.) I've been in touch with the Traffic Operations at City of Coquitlam on request of a couple parents at our school in regards to having a new marked crosswalk at Hillcrest St and King Albert Ave. Cars fly by without stopping for people crossing the street there all the time. By the end of this month a surveyor will check out this intersection and I'll hear back from the City on their findings and plans. There's a lot of foot traffic not just of parents and kids from Mundy Road but lots of high school students who frequent this route as well on their way to the 7-Eleven.
- 3.) I've contacted the Public Safety department at the City about their free and low cost Emergency Preparedness Hero's Programs which are coming up soon. They are excellent programs and book up fast. I have picked up some posters about these programs and they're presently up on the bulletin boards.

Merchandising Co-ordinator (Christine Friend)

While a vote was to happen tonight on the supplier for the Falcons merchandise, it was not on the agenda. Also, although we had quorum for the meeting, we did not have quorum to vote on this matter as one member recused themselves from this vote due to a declared conflict of interest. Since the PAC will be calling a special meeting on another matter, we will also take that opportunity to vote on the supplier for the merchandise. Tentative date for the Special Meeting is October 25th at 7 pm.

The merchandise options are attached as an addendum to these minutes. Additionally, we will distribute them to the PAC via email along with the agenda for the special meeting. If there are any questions, they can be forwarded to Christine.

Parent Education (Anita Krishna)

In order to be sure we reflect the desires of the PAC, we would like to hold a special meeting to vote on bringing Saleema Noon's Body Science and Sexual Health Education program to Mundy for Parents and Kids. Several options for the program are available. Whatever option is selected, this program will only be delivered to children whose parents have given permission for them to attend.

There are 3 program options for our school. **All options are preceded by a Parents Info session in the evening.**

Options 1 and 2 both occur during the school day.

Option 1 is a half day for the educators and involves larger groups with combined grades (k/1, 2/3, 4/5). Price \$750+GST.

Option 2 is each grade by itself and takes the educators a full day to go through grade by grade. Price is \$850 + GST

Option 3 is for the kids education sessions to happen after school or in the evening.

Details about the content for each of age groups and the parents can be found at the following link or below in Addendum A.

<http://www.saleemanoon.com/workshops/elementary-program/elementary-outline-b/>

The Special Meeting to vote on bringing this program to Mundy and which option to confirm will be called for Tuesday October 25th at 7 pm.

Old Business

PAC Bulletin Board – No update.

School buses (b/f from last year) - No further discussion on this. It will be removed from the next agenda.

Hallowe-en Event – Gurj has asked for \$75 to spend on prizes. This does not require a vote.

New Business

Christmas Market. December 8th is the Set up day. Market Day will be December 9th.

Open Discussion

We would like to revisit water quality at Mundy Road. When is the last time it was tested? The PAC put a water filtration in in the past but it was since removed.

ACTION: Bring forward to next meeting for discussion with Rob.

Motion to Adjourn Motion: Una Wong Second: Ursula Elliott. Adjourned 8:11 pm.

Addendum A: Saleema Noon's Body Science Program

Option 1: Half day till midday, Bigger groups, combined grades, we could do a schedule like this: (Cost is \$735, this includes the parent session plus a half day teaching till lunchtime \$700 plus 5% GST)

9am-9:30am K's & G1 combined (30 minute workshop)

9:40am-10:20am G2's & 3's combined (40 minute workshop)

10:45am-11:45am G4's & 5's combined (60 minute workshop) OR

Option 2: Full day where we teach the kids by grade, so smaller groups, This is a much more hectic teaching schedule for the facilitator but doable and allows for smaller more intimate groups. (Cost is \$850 plus 5% GST = **\$892.50**)

9:00am-9:40am G1's

9:45am-10:25am G3's

10:40am-11:40am G5's

11:40am-12:10pm K's

1pm-1:40pm G2's

1:45pm-2:45pm G4's

As your school is small, it might be Ok to combine the grades. Up to you. It depends on whether you think it would be more worthwhile for them to have smaller more intimate groups (which is always nice) and if teachers/Admin are OK to use the whole day.

Option 3: EVENING SESSION FOR PARENTS, AND AFTERSCHOOL OR EVENING SESSION FOR STUDENTS

PART I: PARENT'S SESSION (90 minutes, 6:30pm-8:00pm)

PART II: CHILDREN'S SESSIONS

Primaries (45 minutes)

Intermediates (60 minutes)

These sessions can be held afterschool (3:00pm-3:40pm for primaries, 3:45pm-4:45pm for intermediates) or in an evening (6:30pm-7:15pm for primaries, 7:30pm-8:30pm for intermediates). Parent attendance required.

COST: \$750 + gst (\$350 plus gst for parent session, \$400 plus gst for afternoon/evening sessions with students). Travel fee may apply.

#2 – SAGE WEAR – Pricing and products

My prices below will be all inclusive (garment, decorating, tax and delivery) unless I have noted something.

Before I start, White sweat pants and white youth full zip hoods are not available. So offering them for sale could create a problem for you.

PRINTED PRICES: I see this as a four colour print, blue, black, white and gold. Because you want to offer black (dark) garments, you will need to outline the black circle and letters as well as the head of the bird. We would also lay a bed of white to print the blue bird on. Without doing this the blue will get sucked into the black fabric and give you a dirty blue, not what you want

There is a one-time only charge of \$50.00 to create the art that can be used in silk screening.

Based on an order of 36 or more units

- T-shirts \$14.50 for adults sizes and \$13.50 for youth sizes - full front design
- Pull over hoodies \$29.00 for adults and \$27.50 for youth sizes – full back design
- Full zip hoodies \$32.00 for adults and \$30.00 each – full back design

SEWN logo Left chest or left leg size **A one-time digitization charge of \$65.00**

- T-shirt with sewn left chest logo \$12.00 each for Adults and \$11.00 for youth sizes
- pull over hoodies with embroidered logo to left chest Adult \$27.50 ea and youth sizes \$26.00 ea.
- Full zip hoodies with embroidered crest to left chest \$31.00 ea for Adult and \$29.00 ea. for youth sizes.
- Sweat pants with embroidered logo to the left leg \$23.00 for adults sizes and \$21.00 for youth sizes.

Remember when comparing supplies, my price are all inclusive.
Further notes from my conversation with him...

- Can get straight leg bottom for the sweatpant
- Approximately \$40 – 50 to get logo into a Vector file
- Will provide me full set of samples sizes to try on

- Can do up sample of our logo – but only an embroidered samples

#4 – PRO-STOCK – pricing and products

We have an elementary school program that has been extremely successful and I can give you many references of schools that have been extremely happy with the program.

The prices that you will see on the order forms are determined by the school, so that they can generate revenue as a fund raiser. We simply give you the schools prices and mark them up on the order form as per your instructions.

We do the order form at no charge to the school. It would probably take a few meetings to finalize artwork etc.

Most schools go with a two colour silkscreened logos. I'm not sure that it's necessary to go three or four colours, but that can be discussed at a later date.

As a starting point I will forward you two and three colour cresting on the garment you requested.

Please add the cresting prices below which include art work and all set up charges to the cost of the garments to calculate your cost.

36ea	5.25	6.95
