

## **Spring Concert**

For the past month students and staff have been preparing for our spring concert. Classes have been learning multiple songs and actions. Students are extremely excited to perform for families next week. We will have four shows in total. With Panorama being such a large school we will have half of the classes performing for each show. (Please see the schedule listed below) Two afternoon matinees on Tuesday March 8<sup>th</sup> and Wednesday March 9<sup>th</sup> at 1:15 pm are great opportunities for extended families to come and see the concert. We will have two evening performances as well one on Tuesday March 8<sup>th</sup> at 7:00 pm and one on Wednesday March 9<sup>th</sup> at 7:00 pm. Students that are performing need to arrive at the school and report to their classroom by 6:45 pm. Parents can pick up their children from the classroom after the show. We ask parents to please be respectful during the show, need to remember to not talk during the performance, students have worked hard and deserve a hundred percent of the audience's attention. There is no babysitting at the concert if families need to bring young children we ask that they sit with them near an exit and if necessary step out with them if they are being a distraction. For those parents wishing to record the concert we ask that parents setup at the back of the gym. We are also asking that parents bring a non-perishable food item as admission to the concert.
