Wednesday September 3rd - Tuesday September 9th

- Grade 1-5 Students in school for the regular day (9:00 – 2:59)
- Kindergarten Students and their parents attend their “Welcoming Conversations”

September 10th

- Kindergarten Students attend for the full day (9:00 – 2:59)

During the first week our Grade 1-5 students will be involved in activities with their class grouping from last year. It is our goal to have all students placed into their new classrooms by the end of the first week of school. There are several factors, however, that could prevent this from happening. One of the most critical elements that impact this process is new students registering, and students who have moved away over the summer who we were unaware of in June. If your child will no longer be attending Parkland for this school year please send me an email: astrang@sd43.bc.ca or call the school (604) 939-1151 on Monday, August 25th.

Sincerely,

Anita Strang
