Volunteer Call Out : Grade 12 and 11 parents, students and...

Pay it forward tradition...

Both Grade 12 and 11 parents and students organize this event. Additional volunteers and past alumni are welcome to join in! Why both grades? To ensure event support and continuity, we buddy up both Grade 12 and 11 parents in the five key volunteer areas.

The Grade 12's, take on the bulk of the planning, some events and fundraising and the Grade 11's help with event night tasks. Funds raised support the both 2013 event and 2014 start up. This tradition provides a chance for all grad families to enjoy grad day and night when their turn comes.

- **Dry Grad History:**

Dry Grad was started eleven years ago by a parent in Penticton. It was initiated to provide an alternative to previous grad activities to prevent grad night fatalities related to intoxication. The goal was to create a fun, safe and memorable drug-free event. Numerous lives have been saved since this program started. As your host, we remind all participants this is a dry grad event.
