Business Club (Career Interest)	The Business Club aims to educate its members on the steps to becoming financially literate. Students will gain a solid understanding on building wealth through understanding what money really is, where it comes from, and how to make smart investment decisions to become financially independent in the future. Members will also learn about the basics to technical analysis of the stock market and get a chance to compete with other members for a cash prize to make the most amount of profit on a stock market simulator. The business club is the perfect place for students who are looking to study business in post-secondary or increase their financial IQ and network with like-minded individuals.	Mr. Lum dlum@sd43.bc.ca	Thursday	Lunch	A217
Cat Club (Community Service)	CatFund Project/Club was created with a target to help & donate to animal shelters, primarily cats. Open to anyone, especially those who have a soft spot for animals and are interested in contributing to the community. The main component would be fundraisers where members would choose roles based on their interests & skills and collaborate to host a successful fundraiser. The main fundraiser would be where we would make products, such as baked goods, crocheted items, etc. Another idea is a recycled pet supplies fundraiser where previous or present owners can donate pet supplies they don't need anymore, such as toys, pet food (in good condition), clothes, etc. Currently, we are still figuring out a way to donate these physical items. Lastly, fun cat-related activities shall be planned for the members for contributing their time into these fundraisers. Movie nights, art crafts, board games can be hosted by time to time.
