

Future Business Leaders (FBL) Program

Join Train Academy's week-long free summer program! Dive into business and technology, learn from industry experts, and earn a Certificate in Business Leadership

About

The Future Business Leaders Program enriches business education among high school students, bridging the gap between high school and post-secondary. The FBL program covers topics in personal finance, investing, data analytics, artificial intelligence, and the start-up world. Graduates of the program will receive a Certificate in Business Leadership from Train Academy.

The program is run by Andrew Just, the founder of Train Fitness, a start-up company subsidized by the Canadian Government and seen on Dragon's Den. See trainfitness.ai for more information.
