Happy holidays from DWUL.

LUNCHBOX THEATRE

PRESENTS:

Sing, dance and learn musical theatre skills in a mini-production of:

Wizard of Oz.

This is a PAC Fundraiser
for
Porter
Elementary.

The class accommodates a maximum of 30 students grades 1-5.

Online registration:
December 3-5 at 7pm.

See below for full details.

Price includes all materials.

January 14 – February 20

Mondays and Wednesdays from 12:00 to 12:45 pm in the gym.

*There will be a performance for family and the school on **February 20 at 11 am.**

Fee per student: **\$79**

TO REGISTER AND PAY FEES: <http://www.theatrxyouthatre.com>

HELPFUL HINTS TO SUCCESSFULLY REGISTER ONLINE:

1. CREATE account BEFORE your school's registration link goes live.
2. Register for the correct school and only once. Register each child separately.
3. Fill out registration form. You will receive a confirmation. If more than 30 registrants are received, a computer-generated list will determine who will be in the class and those people will be sent a payment link. The rest will be notified that they are on the waitlist.
4. Payment options: Paypal, credit card

*PLEASE NOTE: By registering for this program, your child is now considered a Theatrx member. The following policies are attached to this program. While directors take reasonable steps to prevent injuries to students, some degree of risk is inherent in the nature of activities, and may occur without fault on the part of the student, school board, its employees or agents, or the facility where the activity is taking place. By allowing your child to participate in this activity, you are agreeing that the activity described above is suitable for your child, and that there is a risk of injury associated with the activity. *** This is not a theatre production, but a work in progress, and the primary objective is to introduce the students to the performing arts in a safe and fun environment! ****

We Learn. We Build. We Play.

Make Learning FUN with LEGO® Bricks!!

Bricks 4 Kidz LEGO® Robotics

WINTER 2019 - MORESPORTS MULTI-SPORT

AFTERSCHOOL: 3:00PM - 4:30PM

Moresports is a neighbourhood based after school program that provides physical activity opportunities to children at their own school. The focus is on fun, inclusion and connecting kids to sport, other kids and older youth mentors. The partnership between School District 43, City of Coquitlam and a host of other supporters assures that the costs are kept low and that there are no barriers to anyone participating.

- ✦ Cost of Program — \$40.00
- ✦ Age Group — Grade K to 5
- ✦ Program Capacity — 24 Students (2 instructors)
- ✦ Location — School gym

*** MONITOR FOR OUR eMAIL ONCE YOU REGISTER *** DEADLINE: FRIDAY, JANUARY 4TH, 2019

ALL ABOUT ANIMALS

Learn about the amazing animal kingdom and the diverse, astounding creatures on earth! Experiment with camouflage and get hands-on with real tooth and claw replicas. See what's inside animals and discover what's truly spineless! The real circle of life is revealed!

ENERGY BURST

An energetic class to explore energy transfer and energy conversion! Jump and push up to reach your potential! Unwind with windup gadgets that swim, hop and flip. Pair up and drop frog splat balls from different heights! Learn how the catapult has the potential to get kinetic!

GET CONNECTED

Take on telecommunications by seeing the sound of your own voice! Chat on your own telephone network and find the limits to low-power radio signals. Learn how to track cell phone users!

LIFE IN THE SEA

Explore different ocean ecosystems and learn about the plants and animals that live there. Classify creatures and compare shark and whale teeth.

MIX IT UP

Get physical with chemistry! Make a four-layer mixture of water and solutions. Learn about molecular movement and see how an antacid suspension buffers an upset stomach. You will clarify water and even carry out a salting-out technique to pull soap out of solution!

MOVING MOTION

Catapult into Newton's three laws of motion! Yank a cloth under dishes and send crash test dummies flying. See action-reaction forces at work while mini-rockets launch through the air!

RADICAL ROBOTS

Explore the world of robotics! A reading and writing robot draws shapes, detect objects and tracks lines. You learn to control an automaton through sound, move a robot through a maze and make a soccer robot score a goal!

SUPER POWER SOURCES

Embark on a quest for alternative energy sources. Harness the sun's heat with a parabolic mirror, ramp up a power generation station and pinpoint power resources. Work with your teammates to run a fan-powered light bulb.
