A Message of Importance to All Port Moody Secondary Graduating Students and their Parents and Guardians

We have just received word that the prestigious Loran Scholar applications will open online **September 8**. These university scholarships are granted on the basis of character, service and leadership, and they include up to four years of funding, covering tuition at one of 25 partner universities, yearly living expenses and annual summer internships, participation in an Outward Bound orientation expedition, an annual summer retreat and other national scholar gatherings, plus personal mentorship from leaders in the private, public and non-profit sectors. Find out more at www.loranscholar.ca and bring your application to Ms Jensen by **12 noon, October 1**, if you are interested in being sponsored by the school. Students can also apply without sponsorship through the direct pool. Direct pool applications must be received in Toronto by **October 29**. For more details, visit the Port Moody Secondary website: check the Career Centre scholarship page.
