MATH COMPETITION CLUB

Hi PMSS!

The Math Competition Club is back with another contest for the new school year!

This October, we're offering the Canadian Open Mathematics Challenge (COMC), an amazing opportunity to refresh your math skills and find out what you're capable of. Although all grades are welcome to register, this contest is difficult, so we recommend those with Grade 11/12 content knowledge to take this contest.

The COMC is a 2.5 hour long contest that comprises 12 written questions.

Registration deadline: Sunday, October 8th at 11:59pm

Contest details: Thursday, October 26th from 3:15 - 6:00 in room 220

Price: \$37.00

Register here: <https://forms.office.com/r/edjxHWmEwc>

Note: The COMC will be available free of charge for students who identify as Black or Indigenous. This wonderful initiative is headed by the Canadian Mathematical Society (CMS), who strives towards creating a more inclusive mathematical community. If this applies to you, please indicate so on the registration form. For more information, visit <https://cms.math.ca/competitions/inclusion-initiative/>

Two years ago, PMSS won **1st place** in BC for the COMC (find our plaque in the display case in front of the math office!) and we're eager to reclaim our title.

We encourage everyone to participate, so don't miss this incredible opportunity!
