Ministry of Education and Child Care Information - Parent Sessions on Youth Substance Use - February 2024

We are pleased to share the following information with you. The Ministry of Education and Child Care, in partnership with adolescent Clinical Psychologist, Dr. Hayley Watson, will be hosting free virtual sessions on youth substance use for parents/guardians, caregivers and caring adults. Dr. Watson will provide valuable insights, practical tips, and resources to equip participants with the tools needed to guide their children and youth toward making positive choices when it comes to substance use.

Key Takeaways for Participants:

- Learn why children/teenagers are drawn to substances.
- Understand what causes and maintains substance use disorder and needs.
- Increase your child's ability to make positive choices about substances.
- Acquire practical conversation tools for discussing substances in the home.

Participants must register in advance due to limited capacity. Session dates are:

- February 20, 6:00 – 7:30 pm PST - [Click here to Register](#)
- February 22, 6:00 – 7:30 pm PST – [Click here to Register](#)
- February 24, 6:00 – 7:30 pm PST - [Click here to Register](#)

Please email the Mental Health and Substance Use Branch at educ.mentalhealth@gov.bc.ca with any questions.

Erase/Safer Schools Together are pleased to announce that they have opened registration for four more 60-minute Social Media Awareness Family sessions through the Ministry of Education's *erase* strategy in January and February 2024. All sessions are online.

Family Session: Establishing Safe, Caring & Respectful Digital Communities – Everyone Welcome!

Recommended for Parents/Caregivers/Grandparents and youth aged 10 and up to facilitate the conversation of safe and caring use of technology at home and in the community. This session covers all things digital, from how to be a good digital citizen, the criminal consequences of cyberbullying, and how to report and receive support in cases of sexting/sexortion. Some of the most prominent concerns currently surrounding the use of social media platforms, smartphones, and artificial intelligence will be discussed.

Please click on the link below to view the dates and to register: [erase Family Sessions](#)

Parent Information Sessions

Creating Effective Partnerships – November 7th

School District 43 in partnership with Kinsight Family & Individual Support Program, invites parents and caregivers of children who have developmental delays, disabilities or diverse learning needs to join us for an information session highlighting the various district supports and services available. Meaningful inclusive practices, programming, collaborative IEP development, and the importance of building an effective partnership between school, and the home team will be reviewed.

Planning for the Future – November 16th

School District 43 invites parents and caregivers of high school students with developmental delays, disabilities, and diverse learning needs to an information session intended to help families think about, and plan for the transition from high school to adult life. This presentation will include a panel of guest speakers representing school district 43 programs, inclusive post-secondary institutes, employment supports, government agencies, and community supports. Entering adulthood is an important milestone, therefore taking action early will help create a smooth and successful transition plan for the future.

Transition into Kindergarten – January 11th

The Learning Services Zone Coordinators and other school personnel from School District #43 invite parents and caregivers of children with developmental delays, disabilities, and diverse learning needs to an information session to discuss what to expect when your child enters kindergarten. We will also discuss how you can be involved to help make the transition successful for your child as they embark on their educational journey.

Stepping Up to Secondary School – February 6th

School District 43 invites parents and caregivers of middle school students with developmental delays, disabilities, and diverse learning needs to an information session focusing on how Secondary School can provide meaningful educational opportunities that support the student's development, maturity and progress towards future goals. A successful transition to Secondary School means that students have access to classes and school experiences that prepare them for what comes after high school – post-secondary education, employment, and full participation in all aspects of community life.

Time to Talk About Middle School – March 5th

School District 43 invites parents and caregivers of elementary school students with developmental delays, disabilities, and diverse learning needs to an information session discussing the differences between Elementary and Middle School. We will focus on the transition process, Middle School culture and routines, structures to support student success, and the benefits of meaningful collaboration to develop the student's program.

When: 7:00pm - 9:00pm (doors open at 6:30pm)
Location: Education Learning Center - Room B103/B104
1080 Winslow Avenue, Coquitlam
