THIS MESSAGE IS POSTED ON OUR WEBSITE AND APP (ORIGINALLY SENT ON FRIDAY, SEPTEMBER 13TH):

Good afternoon parents and guardians,

Next **Thursday, September 19th** is **Meet the Teacher** night at Port Moody Secondary. The evening is a chance for us to come together, get to know one another, and to learn about some of the norms and rhythms of a large diverse school such as ours. The tone of the evening is very much like an open house, and the chance to meet formally with teachers for one to one interviews is scheduled later in the semester on November 21st.

Shape of the Evening:

- Opening remarks with our administration and counselling team at 6:30pm in the multi purpose area.
- From 7:00 to 8:00pm parents are encouraged to get familiar with the building, learn about some of our program offerings and introduce yourselves to the wonderful teachers and staff.
- Mr. Lenihan will host an IB presentation for grade 9 IB parents from 7 - 7:30 pm (Drama room).
- Ms. Campbell will host a grade 12 parent meeting to outline some key points and dates for the year ahead. The session is from 7:30 - 8:00pm (Main Gym)

Student greeters will also be stationed throughout the building to assist families with questions and in making your way around the school.

We recognize as a family you have extracurricular commitments, and possibly other schools to visit on this evening, so please come whenever is convenient to you in the 6:30 to 8:00pm time period.

Finally, the link below is for you to submit questions to us in advance, so that we have the opportunity to address them during the opening presentation and in the grade 9 IB presentation. If you have questions or comments to share, please complete the online form here:

SCHOOL EMERGENCY PREPAREDNESS INFORMATION: The following document contains important information for students and their families about emergency procedures specific to our school, as well as general information to include in your family's emergency preparedness plans. There is contact information in the flyer should you have any questions.

SCHOOL DISTRICT 43 Coquitlam
Serving the communities of Anmore, Belcarra, Coquitlam, Port Coquitlam and Port Moody

IMPORTANT EMERGENCY PREPARATION INFORMATION FOR STUDENTS & THEIR FAMILIES

Please read the following information and talk to your child to ensure that you and your family respond appropriately and effectively to an emergency situation at the school.

Your informed and measured response will help the school to manage the emergency effectively and will assist the student release procedures that your school has put in place.

STUDENT RELEASE PROCEDURES

In case of an incident at the school or in the community, it may be required to release students to parents/ guardians from the school or school grounds or move students from the school area to an alternate location for release. These are the procedures for our school:

1. Students will be released from the school, outdoor evacuation area or alternate location subject to the situation.
2. If we need to move from the school grounds, we will relocate to:

Alternate Location #1: Moody Elementary, 2717 Saint Johns Street

Alternate Location #2: Kyle Centre, 125 Kyle St.
3. The school and school district will communicate with parents on information about picking up their child via email when possible, and school/district websites.

WHAT IS STUDENT RELEASE?

In the event of an earthquake or other necessary situation, the school will implement a controlled release of students for their safety and wellbeing.

Should this be necessary, the school will only release your child to an authorized adult as identified on your "Student Identification Emergency Release Form", or if necessary, to emergency medical personnel. Your identified alternative(s) has been authorized to pick up your child should you be unable to reach the school. Designated alternatives should live within walking distance of the school, if possible.

In the event of a situation requiring release, the school will respond as follows:

- The "Student Identification Emergency Release Form", which is filled in by parents usually in September and kept on file, will provide the necessary information for student release.
- Students will be released from the school to an authorized adult (as listed on the "Student Identification Emergency Release Form") and when it is deemed safe to do so.

When Emergency Responders and the School Board Emergency Operations Centre (EOC) has given clearance for student pick up, parents will be notified and allowed to pick up their child.

These School District Student Release Procedures have been developed with your child's safety as the top priority.

School Emergency Preparedness Information

Learning for a Lifetime

FAMILY EMERGENCY PREPAREDNESS

You need to be ready to care for your family and respond effectively after an emergency or disaster, whether at home, school or work. Preparing ahead can reduce the fear, anxiety and loss that can accompany an emergency event.

Consider signing up for one of the Tri-City's free emergency preparedness workshops. You will be better able to help family and friends.

For more information on workshops, call the Emergency Program Manager for:

- Coquitlam at 604-927-6428 or email: emergencyprogram@coquitlam.ca;
- Port Coquitlam at 604-927-5466;
- Port Moody at 604-469-4542

You can help the school be prepared by promptly returning any **Student Identification Emergency Release Forms** that come home for parents to complete. Without these the process to release your child will be slowed down – both in our practice drill and in the event of a real emergency.

TALK TO YOUR CHILD

We strongly recommend that you speak to your child about the following:

- That their school has emergency plans in place to ensure student safety immediately following an emergency or disaster event.
- The potential risk of gas leaks, downed "live" power lines, debris, etc. which may make streets and roads impassable and therefore not safe for your child to attempt to walk home.

- The importance of remaining at the school until given instructions by authorized school staff. Students will NOT be permitted to leave to pick up younger siblings at nearby schools.
- The importance of the student release procedures at the school and that you and your child need to follow the school student release procedures.

DO'S & DON'TS

Please ...

- **DO** check the school or district website (www.sd43.bc.ca) for information and updates, follow SD43's Twitter feed @sd43bc.
- **DON'T** trust or share unofficial information on non-SD43 websites or social media channels which can be inaccurate, and lead to misinformation and anxiety.
- **DON'T** phone the school following an emergency or disaster event. Telephone lines may be needed for emergency communications.
- **DO** walk to the school if possible or necessary once authorization to pick up your child has been given.
- **DON'T** drive! Streets may be littered with debris. School access routes and street entrances must remain clear for emergency vehicles.
- **If you are at home, DO** ensure your home is safe to return to with your child.
